Social workers helped me help raise my child when I was on ADC

This concerns the story about Protective Services ("Protect us from our protectors," September 27 *Eyewitness*). I imagine that these people have a job to do. When I had my son - my husband left us when he was six-years-old - I worked two jobs, I had to clean house, and raise my son, who is just now graduating from high school. [Inaudible comments deleted.]

When my son was six months old, I went on ADC for six months, my social worker was more than happy to help me. I had a part-time job, even with the baby at home, and my house was clean and my child was taken care of.

Somebody has got to watch out for these kids, because you people sit back on welfare and not trying to do anything for your children - that's abuse. These kids don't have enough to eat and are raised in a dirty home with parents that don't even care. How do you want your children to turn out? That's my comment.

Starr should be fired for wasting millions on Clinton investigation

About this Bill Clinton-Monica Lewinski stuff: I'm sorry. I don't care what he's doing. I don't care if he's the president of my country or my company - it's none of my business. But he's a man. Now we all fall short as men of doing the right thing, married or not married.

I think Kenneth Starr should be fired or impeached or whatever for spending \$40 million to bust this guy for committing adultery against his wife. He didn't do it against the country. I believe that this communist action puts a black eye on the government. And I think that we as an American people should thank God that we have a man who didn't commit treason, he isn't a Nixon.

I was a Marine. We do not care what our president does in the bedroom as long as he's not selling secrets or selling out the government.

Mr. Clinton, you're the best.

Romulus son held in mom's death

By AL POST
MCN Staff Writer

Powerful teamwork between private citizens and Romulus police and firefighters teamed up this week in connection with the arrest of a 19-year-old Romulus man following the stabbing death and burning of his mother's body.

The body of the victim, Christine Duncan, 38, of the 30400 block of Dorsett in Romulus was found Monday morning by Romulus Firefighters shortly after a private citizen alerted them to the basement fire in the well maintained home, Detective Lt. David Early revealed late Tuesday.

Early said a motorist first spotted the fire, tried knocking on the door of the home but got no answer. He raced to a nearby home and urged a neighbor to call the fire department.

Shortly after dousing the blaze, firemen found the victim's body lying amongst some debris in the basement of the house.

Fire Chief David Allison reportedly called Early at home to report the suspicious death.

Duncan was stabbed more than once, Early said, and her body was scorched by flames possibly started by her son.

Initially the cause of death was undetermined because of the burn factors, but an autopsy revealed the cause of death was the stab wounds.

While the son was facing a murder charge Tuesday, no charges were filed at that time but he was being held at the Romulus Police lock-up.

The home damaged by the

Romulus Police and Fire Department and Downriver Arson teams cordoned off part of the quiet Dorset street early Monday morning, after a woman's body was found in a burned basement. MCN photo by Don Richter

fire belonged to the sister of the victim.

Heavy investigative work by Detective Sgts. Gordon Malaniak and Ron Huggins led to the public disclosure that both the son and the victim's car (a red Neon) were missing.

A description of the car and its license plate number were shown on TV and ultimately a concerned citizen spotted the murder suspect sitting in the car outside Meijer's store in Belleville on Tuesday morning.

Romulus Police called Van Buren Police for assistance and the arrest was made without confrontation.

Early said the car was filled with the suspect's personal belongings. He also said a kitchen knife, believed to be the murder weapon was recovered by police.

A verbal dispute preceded the murder, Early said, but family members said it did not appear to be of a violent nature.

3rd McDonald's will open soon

By AL POST
MCN Staff Writer

Did anyone say McDonald's?

An upscale McDonald's restaurant definitely was on the menu at the Romulus City Council on Monday night and despite some earlier reservations by City Council members the request to open the third such restaurant in the city was okayed 6-1.

The only objector to the plan to open the new McDonald's came from Councilman Michael Prybyla - who said the "concept" of the upscale fast food restaurant is great, but he objects to its prime location in the city's Regional Center zoned area.

The planned McDonald's will be located on a .92 acre site on the east side of Merriam road, north of Smith road. It is expected to be opened before New Years Day 1999 with a capacity to seat up to 60 persons.

Councilwoman Deborah Romak originally said the opening of a McDonald's restaurant was not her vision for the city's RC zoned area, but she was impressed with the efforts to create an upscale version of a McDonald's there."

Councilman Donald Morris said "something was definitely needed there" and credited McDonald's representatives with doing "everything we have asked them to do."

McDonald's will raze several old homes at that location prior to the erection of the brick restaurant and will cut the size of the McDonald's promotional sign in half, to 50

McDonald's will raze several old homes at that location prior to the erection of the brick restaurant.

rather than 100 feet.

However a second special land use request for an upscale indoor executive parking facility by Wendell Flynn was put on hold.

That unique parking facility that would include valet parking for such prestige passenger vehicles as Porsche's, Bentley's etc. was to be located on the northside of Smith Road, between Merriam and Middlebelt.

Flynn told the council members that the planned executive parking facility is some what new in style and similar ones are already in operation in places such as New Jersey.

The issue of a parking facility in the city's prime RC area raised concerns with several City Councilman including LeRoy Burcroff. Another issue centered around the on site sale of natural gas.

Councilmen felt they didn't get adequate explanations as to who would be purchasing the natural gas and who the supplier would be.

Thus the council voted to table the parking facility issue to a later date.

Mayor's Chair program to offer citizen views

By AL POST
MCN Staff Writer

The Romulus Cable TV crew from the Mayor's Chair program went out on the road recently to interview persons shopping and walking on Goddard road.

According to cable spokespersons the citizens - including visitors to the city - were

interviewed and had mostly favorable comments on the ranking of city services.

They also were reportedly quizzed on the possibility of a new Romulus community center.

To catch the interviews tune in tonight on Channel 40 from 6:30 to 7:30 p.m. To call in a question for Mayor William Oakley call 942-7571.

34th judicial candidates to talk before chamber

By AL POST
MCN Staff Writer

Brian Oakley and Norman Kohlstrand, candidates for the hotly contested race for the 34th District Court judgeship, will appear at the Oct. 20 luncheon sponsored by the Greater Romulus Chamber of Commerce.

The \$12 luncheon will take place at the new Double Tree Hotel, 31500 Wick road. The hotel formerly was the Royce Hotel.

Reservations should be made with the chamber office by Oct. 14-15.

Each candidate will be given about 10 minutes each to speak and then Chamber President Larry Williams will ask for questions from the chamber members and guests.

Oakley, 37, of Romulus has been a local lawyer for over a decade and has been active with many local organizations, including the newly formed Romulus Boys/Girls Club organization.

He is the son of Mayor William Oakley.

Kohlstrand, 52, of New Boston, is a self employed lawyer. He formerly served as a Wayne County Sheriff's Department deputy, municipal prosecutor and defense attorney.

The two candidates have been running aggressive campaigns in the five communities serviced by the 34th District Court including the cities of Romulus and Belleville and the townships of Sumpter, Huron and Van Buren.

At a recent televised debate at Belleville High School, both candidates agreed on many court issues. Campaign rules however limit the scope of pledges made by candidates

for judgeships.

The candidates differed most on what is the most important issue facing the voters in this race.

Oakley states the most important issue is who is the "best qualified to replace retiring 34th District Court Judge Henry Zaborowski."

Oakley adds "which candidate has been proven to handle all situations with compassion and integrity?"

Kohlstrand counters by charging voters need to decide

"if they want a full time judge or not." He quotes Oakley as saying that he would not be able to hear matters involving the city of Romulus, its city attorney or police officers.

Oakley states that he has questioned legal experts locally and statewide and all declare there is no conflict of interest in his running for judge, while his father sits as Romulus mayor.

He states that Detroit Mayor Dennis Archer's wife is also a judge.

Apple award winner

Henry James, Romulus High School Band director, will be one of 42 Romulus Board of Education Apple Award winners who will be honored for their educational efforts at the school board meeting on Oct. 12. The public is invited to the 7:30 p.m. meeting at the school's administration offices on Grant road. MCN Special Photo

'Healthy Me!' teaches elementary pupils about health

The cast of 'Healthy Me!'

Teaching children to eat right and get enough exercise continues to be a challenge for parents and educators alike. In an effort to promote healthy

habits, Blue Care Network is once again presenting its free, Healthy Me! program to schools throughout Michigan. This year, Healthy Me! will

tour Flint, Saginaw, Muskegon, Grand Rapids, Kalamazoo and Lansing, in addition to the metropolitan Detroit area.

"Recent studies show about

14 percent of children ages 6 to 11 are overweight, as are 12 percent of adolescents ages 12 to 17," said Douglas R. Woll, M.D., FACP, Senior Vice President and Chief Medical Officer of Blue Care Network and Vice President, HMO Medical Programs at Blue Cross Blue Shield Michigan. "Obesity has been linked to a higher risk of hypertension, heart disease and diabetes. This program aims to teach children to take action now in order to become healthy, active adults."

Lack of exercise plays a part as well. Experts say that only 22 percent of adults meet the minimum exercise guidelines of 30 minutes of moderate activity most days. Children who are taught from an early age to include exercise in their daily life increase their chances of becoming a healthy adult who will maintain an exercise program.

Healthy Me! features actors from the Children's Theatre of Michigan, equipped with strong self-esteem tips, healthy eating information and a simple exercise routine designed to get students smiling, singing, clapping their hands and learning about healthy living habits.

Youngsters are reminded of the importance of establishing good health habits intended to last a lifetime. Kindergarten through second grade students enjoy a show specifically targeted to their grade levels. The third grade to fifth or sixth grade show offers another age-appropriate message.

Children are encouraged to give smart food suggestions,

repeat rhymes, sing along and do stretches from their seats. Some students are also invited to join the performers on stage to answer questions about how to live a healthy life. These answers reinforce the importance of establishing healthy habits now.

"We hope children across the state will become more

aware of the choices they have in the lunchroom and on the playground," explains Dr. Woll.

On October 23, the Healthy Me! Series will visit St. Michael Christian School, 7000 Sheldon Rd., Canton, MI 48187 2:15 to 2:45 p.m.

More dates will be announced shortly.

CHARTER TOWNSHIP OF VAN BUREN DEPARTMENT OF PUBLIC SAFETY NOTICE OF PUBLIC HEARING

The Charter Township of Van Buren Department of Public Safety will hold a Public Hearing on Tuesday, October 13, 1998 at 5:30 p.m. for comments and suggestions on the proposed use of local law enforcement block grant funds.

The Meeting will be held in the Sheldon Room, 46425 Tyler Rd., Charter Township of Van Buren, County of Wayne, Belleville, MI 48111. Written comments will be accepted at the Public Safety Department until 5:00 p.m. on the Hearing date.

In compliance with the Americans with Disabilities Act, accommodations can be made with advance notice.

CHARTER TOWNSHIP OF VAN BUREN NOTICE OF PUBLIC HEARING

Residents of Van Buren Township are notified that at the October 20, 1998, Township Board meeting at Township Hall, a Public Hearing will open for discussion of the General Fund and all Special Revenue Funds, or other budgetary matters. The 1998 Amended General Fund Budget proposal totals \$7,510,403; the proposed 1999 General Fund Budget totals \$7,431,123. The Special Revenue Funds under consideration are Fiscal Year CDBG, E.D.C., D.D.A., French Landing Improvement Project, Capital Improvement Fund, Landfill Fund, Museum Fund, Federal Forfeiture Fund and State Forfeiture Fund. Each of these funds has an anticipated budget which is available for public review. Consideration of each of the funds will be heard at the Public Hearing and will be agenda items for Board deliberation. The property tax millage rate proposed to be levied to support the proposed budget will be a subject of this hearing. The specific proposals are available for your review in the Clerk's office, on Friday, October 9, 1998, at Van Buren Township Hall, 46425 Tyler Road, Van Buren Township.

Cindy C. King, CMC
Township Clerk

In compliance with the Americans with Disabilities Act, reasonable accommodations will be made available with advance notice.

By AL POST
MCN Staff Writer

Romulus High School graduate **Lloyd Ward** -- who was named to the Alumni Association's Hall of the Fame a year ago -- is expected to take over the leadership of Maytag Corp. next year.

Ward, 49, thus will become one of the few African-Americans to head a Fortune 500 firm. Maytag, a \$4 billion company, is listed as the nation's third largest appliance corporation in the U.S.

Based in Iowa, Maytag stock sold for \$19 several years ago when Ward joined the firm. Today the stock sells for \$51 per share and Ward has been joined by five other blacks in the company's management team.

Ward's advice to other potential black leaders: learn to love adversity and don't make excuses, because ultimately the bottom line is the bottom line.

Korey Miller of Inkster, a 1995 graduate of John Glenn High School in Westland, recently accepted an internship with the University of Michigan Office of News and Information Services.

Miller will be responsible for writing news releases and working with the media.

The daughter of Albert and Anita Miller, she expects to receive a B.A. degree from the U of M with a double major in English and communication studies.

Miller plans to attend law school in the fall of 1999.

While in high school, Miller was publicity manager of the Student Council and was a member of the Spanish Club, the Honors Society, the Human Relations Committee and the Symphony Orchestra.

Miller was a captain of her

Korey Miller

cross country and track teams. She also earned varsity letters in cheerleading and gymnastics.

At the U-M, Miller participated in the Gospel Chorale and the Pops Symphony Orchestra and wrote for the *Black Student Monthly*.

She currently is president of Crying Laughter Productions and is program manager for the acting group, Images of Identities.

Miller also is a member of Indigo Dance and the Black Undergraduate Law Association.

She is the granddaughter of Lavell and Annetta Rich of Inkster.

Gwenda Bartlett of Inkster recently completed a 25-day, live-in training program at Rochester, MI. created by the "Leader Dog for the Blind" organization.

Bartlett was matched with her new friend and Leader Dog "Mattie" and the pair can now be seen traversing around the streets of Inkster together.

The leader dog program was started 60 years ago by three Detroit area Lions Club members and has graduated 11,000 dogs since its inception.

For more information on the program call 1-888-777-5332.

Radio host **Todd Mundt** has been selected as the nation's top air personality by the Pub-

lic Radio Program Directors Association. Michigan Radio (WUOM/Ann Arbor 91.7 FM) also was named the best station in America.

Mundt was honored for his on air delivery and versatility for serving as an A.M. news anchor and also an afternoon talk show host.

U.S. Army Spec. **Casey J. Frantz** has been decorated with the Army Commendation Medal for having completed a military service commitment in a commendable manner.

The medal is awarded to those individuals who demonstrate outstanding achievement or meritorious service.

Frantz is an ammunition specialist assigned to the 23rd Ordinance Co. in Meisau, Germany.

He is the son of Jane A. Frantz of Westland and is a 1995 graduate of John Glenn High School.

Dr. Steve R. Geiringer, psychiatrist at the Rehabilitation Institute of Michigan and medical director of Electrodagnostic Services and Rehab West of Westland, has been recognized by *Best Doctors in America: 1999 Edition* for excellence in the field of physical medicine and rehabilitation.

Geiringer's speciality is the diagnosis and non-operative treatment of acute musculoskeletal injuries (occupational and sports).

Jenny Wilson

Jenny Wilson is homecoming queen candidate

Jenny Wilson of Romulus is one of seven candidates for the 1998-99 Homecoming Queen at Alderson-Broadbudd College in Philippi, West Virginia.

Wilson is a senior and is majoring in speech communication with an emphasis in theatre.

The queen selection will be held tomorrow night in Funkhouser Auditorium on the college campus.

She has been an actress with the campus theatre organization, College Players, and the national theatre association, Alpha Psi Omega.

Wilson also is a staff member of the Battler Columns newspaper and has been a member of the college speech team.

She also has been on the Dean's List.

Wilson is the daughter of Robert and Pam Parker.

Alderson-Broadbudd College is a four year liberal arts and sciences college affiliated with the American Baptist Churches in the U.S.A.

Local Cinderella to marry on Oct. 17

By AL POST
MCN Staff Writer

Audrey A. Letizio of Belleville and Ricardo Lopez Gonzales of Canton -- winners of a recent Cinderella Wedding contest -- will be wed on Oct. 17 at the Horizon Outlet Center of Monroe.

The Rev. Jesse Locke will officiate.

Their "royal reception" will be held at the Sumpter Community Center in Sumpter Township.

The bride elect is the daughter of Brenda and Richard Letizio of Belleville. She is presently attending classes at Starkweather in preparation for a career as a midwife.

The groom-to-be is the son of Venus and Ricardo Gonzales of Canton. He is currently employed by the Ann Arbor Fire Protection District.

The pair met via friends back in September 1994 and have been inseparable ever since, friends say.

Audrey A. Letizio and Ricardo Lopez Gonzales

In Letizio's winning essay, she related "We both know though that spending the rest of our lives together is what we want. We may have differences, but the important thing is that we solve these differences together."

Readers wishing to share their best wishes with the young couple are urged to send their cards to: Hearts and Flowers (Audrey and Ricardo), P.O. Box. 474, Belleville, MI. 48174.

A big "wedding card" will be given to the pair on their wedding day.

Christians rally against hunger, abortions

By AL POST
MCN Staff Writer

Christians left their churches Sunday to extend their annual messages against hunger and abortions across the streets of Wayne County.

Between 350-400 pastors and laity from the greater Romulus-Belleville area joined in the massive annual Crop Walk that hopefully will raise \$32,600 to aid the hungry in this area as well as around the world.

Father John Hagan, pastor of the Trinity Episcopal Church of Belleville, was confident early in the weekend that the sun would shine on the long anti-hunger march -- but admitted earlier Crop Walks often took place in the rain.

The sun did shine and the Christians from multiple churches in the local municipalities gathered first at the Community United Methodist Church of Romulus to register and begin the walk.

Then aided by Romulus and Van Buren Township police officers the walkers took off for the Belleville church for snacks and joyful communications.

It won't be known for several weeks how much the walkers raised for the hungry, but Hagan announced as usual one quarter of the money raised will stay in the local communities and the remaining three quarters will be sent across the U.S. and around the world.

Months from now Hagan and his co-coordinator Hannah Anthony will visit local agencies aiding the needy and present them with official Crop Walk checks.

Also on this past Sunday abortion foes lined Woodward avenue to form a "Life Chain" symbolizing the Christians opposition to abortions being performed today.

Men, women and children

carrying placards in opposition to abortions from at least 160 churches in southeastern Michigan took part in the annual protest sponsored by the Right to Life, Lifespan organization.

The miles and miles of hand-held signs stated "Abortions kill children", "Abortion hurts women" and "Adoption is the loving option."

The young and older family members want to stress that abortion is wrong, Diane Trombley, spokeswoman for the "Life Chain," said during the event, which is held across the U.S. in 700 cities.

Trombley said nothing brings the huge gathering of 1,000 persons together more than the joint feeling that "abortion kills life."

Trombley stressed that Lifespan does not offer violence on the street in the guise of ending violence in abortion clinics.

Her reference was obviously to those pro-lifers, who have engaged in abortion clinic bombings and shootings.

The anti-abortion activity took place peacefully -- except for some taunts from those supporting abortions in the Wayne County area.

A food and clothes pantry distribution will take place at the **West Road Assembly of God Church** the third Saturday of each month.

The Continentals singing group will perform at 6 p.m. Nov. 1 at the **Calvary Baptist**

Church, 43065 Joy road in Canton.

The group of 30 singers and dancers selected from thousands, who have auditioned for the Christian opportunity travel annually around the world to share the gospel of Jesus Christ.

Some of today's contemporary Christian singles, who have earlier performed with The Continentals, are Wayne Watson and Steve Taylor.

For more information call 734-455-0022.

Leaders of the **Hospice of Michigan** are urging voters to attend the free debate this Saturday on Proposal B on the November ballot -- that concerning doctor assisted suicide.

The debate begins at 2:30 p.m. at the Central United Methodist Church on Woodward avenue, across from the Fox Theatre in Detroit.

Participating in the debate will be Dr. Ed Pierce from Merian's Friends (who arranged to have the issue on this year's ballot) and Dr. John Finn, executive medical director of the Hospice of Michigan, an opponent of the ballot issue.

While the debate itself is free, the Hospice of Michigan announced that an all day program including workshops will take place on Saturday. The workshops will include topics on such issues as: end of life grieving, wills, advance directives, hospice and home care, spirituality, dying young, alternative funerals and burial arrangements.

Salvation Army emergency teams have fanned out across southern states and Puerto Rico to aid victims of Hurricane Georges.

The emergency teams have helped hurricane victims in Florida, Mississippi, Alabama and Louisiana in recent days via mobile canteen units and other feeding operations.

Christian shooters

Enthusiastic Romulus area youngsters turned out in groups recently to take part in the Romulus Wesleyan Church's first "Shoot for the Goal" contest. A total of 400 youth and adults turned out for the Pumpkin Festival program that Pastor Steve Adams feels may turn out to be an annual event. MCN Special

BHS students place high in prestigious National Merit Program

By DON RICHTER
MCN Staff Writer

Douglas Rose and Mark Former have been recognized for their achievement in the National Merit Program. Over one million students from over twenty thousand high schools

nationwide entered the competition when they took the PSAT test in their junior year.

Rose was honored as a Commended Student placing him in the top five percent of those taking the test.

Former is a semifinalist, placing him in the top one percent of the state's high school

seniors. Semifinalists have the opportunity to continue in the competition for Merit Scholarships.

Both students are seniors at Belleville High School. Douglas is the son of Tom and Nancy Rose. Mark is the son of Mark and Candy Former.

"Halloween Happenings" scheduled for tri-community area

By DON RICHTER
MCN Staff Writer

With that scariest of seasons soon to be upon us, the tri-communities of Sumpter Township, Belleville and Van Buren Township are busily planning Halloween activities.

In Sumpter Township, the Belleville Area Jaycees will be hosting a haunting at the Pumpkin Factory on Harris Road with Fridays reserved for "Friendly Monsters" (6 p.m.-7 p.m.) for the younger children. The schedule for the "scare affair" will be October 9 and 10 from 7 p.m. until 12 midnight, October 15-31, Sunday and come to town for a good

time.

In Van Buren Township, the annual "Haunted Forest" will once again scare the beejebers out of those daring enough to enter. The "Forest" will be in Van Buren Park located on the South Service Drive. Admission is \$5.00 per person and \$3.00 for children 11 years and under. The screaming will begin Friday and Saturdays, October 9-10, 16-17 and 23-24 from 7:30 p.m. until 10:30 p.m. This is not recommended for young children.

The kids are invited, however, to "trick or treat" at the Van Buren Township Hall on Thursday, October 29 at 6:30 p.m.

thru Thursday from 7 p.m. until 10 p.m. and Friday and Saturday from 7 p.m. until 12 midnight.

In Belleville, the City Parks and Recreation Department invites area children to bring their pumpkins to Victory Park for a pumpkin carving on Saturday, October 24 at 5:00 p.m. Also, the Belleville Central Business Community has announced that the Downtown Merchants will treat area youngsters to an old fashion "Halloween Night" on October 31, between the hours of 5:00 p.m. to 7:00 p.m. CBC officials encourage kids to, "wear their favorite Halloween costume."

Good luck, ladies!

Here's a look at the eight candidates for Belleville High School's Homecoming Queen crown. They are: L-R, first row, Jaclyn Steele, Kristy Dargo; Second row, Amy Dau, Gretchen Ihlenfeldt, third row, Andrea Dunn, Katie Jacobs, fourth row, Deeneita Wells, Andrea Smith. The winners will be announced during halftime at Friday's game, which kicks off at 7:00 p.m.

Library offers advanced cyberspace class

By DON RICHTER
MCN Staff Writer

So, you know how to turn on your computer. You know how to use your computer mouse and you know how to open and close files. That's pretty much

all you need to know, right? Wrong.

The Fred C. Fischer Library is offering an "Advanced Cyberspace Class" this Saturday, October 10 at 10:30 a.m.

and other library resources.

There is limited space available, so hurry and sign up for the educational class at the library located at 167 Fourth Street in downtown Belleville.

Tiger Swim Club remains in Downriver Swim Conference

By DON RICHTER
MCN Staff Writer

The Belleville Tiger Swim Club will remain a member of the Downriver Swim Conference for the 1998-99 swim season. The other clubs in the conference are: Allen Park, Riverview, Southgate, Taylor, Trenton, Woodhaven and Wyandotte.

Each team is required to swim the other conference squads at least once. The Tiger Swim Club will have at least one conference meet in October, November, January, February and March. These dates are to be determined based on pool availabilities.

Two all-team meets are the Christmas Personal Best, December 12 at Southgate High School and the Downriver Championships on March 27 at Wyandotte High School. The Tiger Swim Club finished third in last year's championship meet.

The final schedule is expected to be announced by mid-October.

With Paternal Grandparents from England and Ireland)

Endorsed by Partisan, Veteran and Ethnic organizations

GARY EDWARD GARDNER FOR CIRCUIT COURT JUDGE

Be sure to vote in the "Circuit Court Judge Non-Incumbent" section of your ballot on Nov. 3rd

Paid for by People who believe in Gardner for Wayne County Circuit Court Judge, 25121 Ford Road, 48128

You're thinking...

- How many pounds of fudge go across it every year?
- Who got stuck building the part that's underwater?
- Is there a health care company out there that believes in two-way communication?

At HAP, we know most people want a health care company they can relate to. That's why if you're new to HAP, we'll not only send you a welcome package, but we'll also call and ask for your comments. All our members get prevention, health and wellness information on a regular basis. And our Member Services Staff will bridge any possible gap by answering your questions — one on one. After all, you shouldn't have to spend a lot of time thinking about health care. That's what we do. For more information, call us at 313-872-8100.

Economy to dictate Clinton's future...

Area senior citizens from several Western Wayne County communities speculate that President Clinton's leadership role is tied more to the U.S. economy than it is to Monica Lewinsky's stained dress.

They state that with a leadership void around the world today -- Clinton even with his current weaknesses still stands out from the doubtful others leading Russia, Japan, France, Brazil and other major nations around the world.

Despite the negative press on Clinton today, the seniors love to joke that "it is healthy to know at least that our President is not in the middle of the Viagra debate. Actually Clinton probably needs a tonic to cut his urges rather than spur them."

Many seniors -- particularly the lifelong Republican type -- say "the other major plus for Clinton is ironically a four-letter word known as GORE."

Unlike today's college crowd most senior citizens interviewed are not calling for Clinton's impeachment...but a number feel he will resign before his term runs out.

Ironically this writer when he stepped into the voting booth two years ago felt Clinton would easily defeat GOP candidate Bob Dole, but had the mysterious feeling the incumbent President would not

complete his four year term.

The premonition however was not as strong as the one I felt back in the 60's when I was shocked to hear New York Sen. Bobby Kennedy giving his victory speech after the Californian primary.

I shook my head and turned off the TV before Kennedy finished his brief speech because something had given me that eerie feeling that Kennedy was to die that night. The next morning I found that the presidential candidate had been shot only seconds after I had turned off the TV.

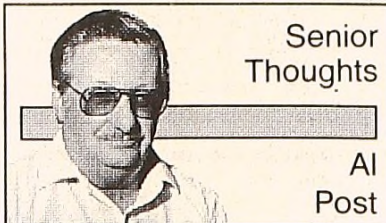

In Clinton's case, I had no such somber thoughts about his future, except that he would probably not finish his term.

Senior citizens also still have a good sense of humor on today's sporting world events.

"We are surprised," the seniors state, "that some of our friends are complaining about certain major league catchers using equipment from another sport -- hockey masks."

"Heck," they smile, "we even know some of the best known basketball players today wear of all things -- jockey shorts -- and no one complains."

Then they add "we even know of some pacifists who wear boxer shorts. Thus it

Senior Thoughts
Al Post

shows life has its irregularities."

We welcome news that area seniors are preparing items for future "senior thoughts" columns.

Such items can be sent personally to the *Michigan Community Newspapers* by the senior citizens themselves or can be mailed collectively from various senior centers in Western Wayne County.

Items should contain the writer's name and phone number and a note whether they would like their name in the newspaper or not.

Information should relate to any personal incident or opinion the writer has on issues taking place during any period in the 20th Century. So let's hear your ideas...before the 20th Century ends.

You think you're forgetful.

How about the senior citizen who walked into a senior lunch hall and told his friends about the Yankees' Don Larsen pitching a no-hitter against the Dodgers in the World Series yesterday.

He was embarrassed to learn that it wasn't yesterday...he had actually been watching the Classic Sports channel the night before.

As a guide to possible submissions, let's hear from you on such topics as:

- He (she) wasn't famous, but I will never forget him (her).
- Why does each year seem to rush by quicker than the one before?
- Why don't newspapers print (????) anymore?
- I guess I should have thanked _____, when they helped me out that time.

Flu shots now available

By AL POST
MCN Staff Writer

The 1996 flu virus killed 20,000 Americans.

Thus with the 1998 flu season starting, Oakwood Healthcare System reminds Western Wayne County residents that flu shots are now available for only \$5.

"People who are at high risk of developing complications from the influenza virus are urged to take action," said Dr. James Sunstrum, infectious disease physician for Oakwood Healthcare System.

"It is recommended that anyone who suffers from heart, lung or kidney diseases, diabetes, severe forms of anemia, chronic diseases or are over the age of 65 should receive the vaccinations," he said.

Flu symptoms typically include fever (usually over 100 degrees Fahrenheit to 103 F in adults and often higher in children.)

Other symptoms include nausea, vomiting, diarrhea, coughing, sore throat, nasal congestion, as well as headaches, muscle aches and often extreme fatigue.

Last year Oakwood immunized over 21,000 people and we hope to immunize 30,000 persons this year, said Lisa Rutledge, system facilitator of community health for Oakwood Healthcare System.

Seniors are thus urged to call 1-800 543-WELL through Nov. 31 to get more information on where the shots are being given.

The Western Wayne County Genealogical Society will meet at 7:30 p.m. Oct. 21 and hear Eugene Strobel of the German-American Heritage Foundation speak on *Germans: Downtown Detroit and West Side Influence*.

The meeting will be in the barrier free Livonia Civic Park Senior Center Building on Farmington road.

The following month, Nov.

18, P.Philip Groh will speak on *The Huguenots*.

A special Sixth Annual Genealogical Seminar will be held on Nov. 7. The seminar will feature the theme *From Whence They Came: The British Isles -- Britain, Ireland and Scotland*.

The third annual October-Fest is slated for Oct. 24 at Heritage Park in Canton.

The session will be an entertaining chance to bring grandchildren as the Boo Brothers puppet show, Jim Perkins folk singer, Cowboy Mark the magician and others will be there to entertain.

The event is free but participants are urged to car pool.

For more information call 397-5110.

Nicole's Chamber Fashion Show will occur again at 11:30

a.m. Oct. 13 at the Joy Manor at 28999 Joy road.

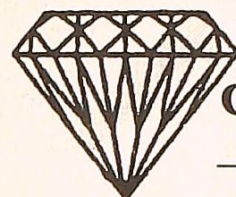

There will be 20 models. For more information call the Westland Chamber of Commerce, 734-326-7222.

The 11th annual Diabetes Fair sponsored by the Riverside Osteopathic Hospital is slated to be held from 10 a.m. to 4 p.m. Nov. 3.

The fair will be held at the Brownstown Community Center, 21313 Telegraph road in Brownstown Township. Free screenings and workshops will be offered by various health experts.

For more information call 734-676-4200, Ext. 3771.

Gunfire ruins a perfectly good Friday football game

Sports Editor Tom Mooradian said it's the worst scene he has ever encountered in 37-years of covering high school sports. A game called because of gang fighting is a new low in high school athletic annals. But it happened, and it occurred right here in our backyard.

Let's set the scene. It is Friday afternoon at Inkster High School. The visiting 4th-ranked (according to AP polls) Romulus Eagles undefeated at 4-0, are pounding the revitalized Inkster Vikings (2-2). At halftime a number of kids are roaming the parking lot.

Just before the Inkster marching band finishes its halftime routine a fight breaks out in the parking lot. Speculation is that rival gangs are letting fists fly. One gang member pulls a weapon and shots ring out according to a witness. The witness hears a total of six shots. Some come very close to the Romulus side of the football field. The rival gangs jump into their respective cars and tear out of the parking lot, not to be apprehended. No one is hurt and police eventually disburse the parking lot crowd.

In the mean time officials determine the safest cause of action is to cancel the remainder of the game. The decision was probably made easier by the fact that Romulus was leading 43-0 at the time. Spectators had been treated to the second coming of Barry Sanders when Eagle running back Freddie Russell shredded the Inkster defense with five first half touchdowns.

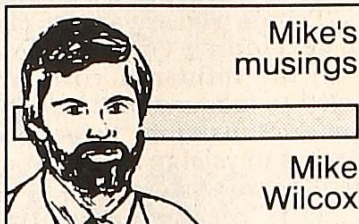

But when gunfire rings loud at a

school function something needs to be done, and done fast. Word from witnesses was that the referees, school officials and police all acted swiftly to see that players and spectators were safe and sound.

The crime here is not that the gang members got away. I've got a feeling the Inkster cops will find these guys sooner or later. The real crime is Inkster, Inkster Schools and the Inkster football team were enjoying the bliss of a turnaround, having improved their fortunes immensely over the last few years, only to now be faced with a public relations nightmare thanks to a few hooligans that have nothing to do with Inkster Schools.

It use to be that all football games were held at night, under the lights. Then, a few year's ago because of several incidents, none quite as severe as this, inner city schools and selected suburban schools decided to play their games in the afternoon.

For the most part this has curtailed the vandalism and petty violence that was prevalent at some games. Now this, and right here in our hometown. When these hoodlums are found, I hope prosecutors throw the book at them. It's time we made an example or two, so that future gangs understand responsible people will not allow them to run roughshod over school activities.

Mike's musings

Mike Wilcox

Did loose lips sink Lowell?

Loose lips sink ships. Many speculate that loose lips sank Lowell Middle School, forcing Plymouth-Canton taxpayers to cough up an \$18.8 million bond to replace it.

To their credit, 7,648 voters stepped up to the plate and voted to approve the bond.

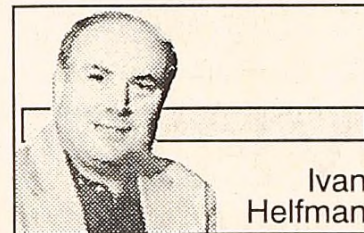

In lieu of an explanation from Plymouth-Canton's officials, rumors and speculation center on Livonia Community Schools' reasons for evicting Plymouth-Canton after 18 years.

One unconfirmed rumor, which I heard from educators, was that Livonia was provoked by the district's pledge to compete for students if bodies are needed fill classrooms after the new high school and elementary school are built.

Perhaps it didn't provoke Livonia into tossing out Plymouth-Canton students, but it certainly carried that risk and others. This is what I mean by loose lips.

Thankfully the Plymouth-Canton district has parents, teachers, and neighborhood school administrators capable of mopping up the superintendent and boards' mistakes.

I say this because it's necessary for parents, teachers, and neighborhood school administrators to step up to the plate once

Ivan Helfman

again and confront Superintendent Chuck Little over his soon-to-be announced plans for the new high school as well as his plans for the new middle school to be built at the corner of Canton Center and Hanford roads in Canton for the Fall 2000 semester.

Little's plans, which are opposed by high school teachers, are expected to be presented at the October 13 school board meeting. Little plans to break up the Plymouth-Canton Educational Park, devolving it into three smaller high schools.

There are two problems with this: One, while smaller high schools may be desirable, the district can't afford them based on their current cash flow. Unacceptable sacrifices, such as replacing some live classroom teachers with televised ones, would be made. Student performance would probably suffer. Many students would transfer to schools with live teachers.

Two, Little and the school board's plans for the new middle

school call for a 126,000 square-foot building, the largest middle school in the district, and a contradiction of their small school policy.

It boggles the mind trying to reconcile the fight Little is waging against the teachers at the park to break up the large high school campus with his effort to build a middle school as big and as impersonal as a warehouse.

If I understand him right, big schools are too overwhelming for 9 to 12 graders, yet just right for 6-8 graders.

I hope that the superintendent explains this better than he has explained how he lost the Lowell lease.

As for the voters who approved the new middle school, I hope they begin attending board meetings to pressure Little and the board to create attendance boundaries that respect families and neighborhoods. Brothers and sisters and neighbors must be kept together. I say this because attendance boundaries were a taboo subject before the election. Why? Perhaps we'll never know, but I urge middle school parents to attend board meetings to make sure that the new middle school, the first one in Canton, serves township students.

Thanks a Million

WEEKLY SYNDICATED COLUMN BY PERCY ROSS

Millionaire Percy Ross is known for his philanthropic work. He offers help and encouragement for those in need. He has earned a fortune and a wealth of knowledge during his lifetime and wants to share both. His motto: "He who gives while he lives... also knows where it goes."

Two Dozen Siblings Still Adds Up To Zero

Dear Mr. Ross: I'm the 24th child of 24. All of my sisters and brothers have the same mom and dad. My 75 year old parents have been together since they were 9. They married when they were 15 and are still married, although they are very, very ill. My dad has had 4 heart attacks and 7 strokes, with one triple by-pass surgery. My mom has only had 2 heart attacks and 1 stroke. But the reason I'm writing is because I need money to go see them. It has been a year. I need \$200. Please, can you help?

Ms. L. M. ... The Advertiser, Ames, IA

Dear Ms. M.: If your letter sounds incredible, it's because it is. I might believe that between your mother and father they have had 8 strokes and 6 heart attacks. I might even believe that they married at age 15 and have been married 60 years, with 24 children as a by-product of that marriage.

What I can't understand is why your 23 older brothers and sisters won't pool their resources and send you \$200 so you can visit your folks. That's less than \$9 per sibling and that's why I'm turning down your request. I might be an old fool, but I'm an old fool who didn't part with \$200.

Dear Mr. Ross: About 12 years ago a woman by the name of Margaret Carson wrote you from Vancouver, Washington. She asked for money, not for herself, but for the impoverished children in her neighborhood who were forced to go to school without socks or underwear. She had correctly surmised that used clothing stores (Goodwill, Salvation Army, etc.) have many items for poor children but NOT socks or underwear.

Margaret felt sad to see the number of children who passed by her house with no socks and ragged clothes. In your wisdom, you sent her a check to purchase socks and underwear and there began a service to little children, which continues to this very day! I know all this because I came to that school, Hough Elementary, as

a school counselor in 1989. Margaret and her husband, Bill, continued over the years to save money and when they were able, they would again stock me up with socks and underwear for "our" children.

Today, there is an agency that fills this need. And possibly very much due to Margaret's first request to you, it is perceived as a need and not a luxury. I wish that I could just send a smile from one of the children who has benefited. For example, one day not long ago, I took two smelly, wet, mismatched adult socks off a 7 year old boy and gave him a warm, dry, new pair that fit. Such joy on his face!! After all these years, such experiences still bring tears to my eyes and I always feel so privileged to be the one who gets to do this work.

In closing, I want to let you know that Margaret's husband died of cancer in January and now she, too, is ill. She has given so much to us. I wish I could think of some way to give back just a little. Then it occurred to me that a letter from you, saying how important she and Bill have been to us, would mean so much. My guess is that a letter like that would bring endless joy to her remaining days.

Ms. S. S. ... The Columbian, Vancouver, WA

Dear Ms. S.: I couldn't have said it any better than you have, so I'm printing your letter in my column. That's because for one brief moment today millions of readers across the country will read of the fine contribution Margaret Carson and her husband made to the children in their community. They may even think, "Now there's a truly gracious couple who knew the meaning of kindness." I'm sure everyone will join me in saying, "Thanks a million, Margaret and Bill, for all that you have done. You made a difference—a big one and we're proud of you!"

Protective services victim responds to FIA spokeswoman

To the Editor:

I would like to Thank You again for the wonderful article in Sunday's *Eyewitness*, Sept. 27, 1998! "Protect Us From Our Protectors!"

I would like to address the comments made by FIA spokeswoman, Karen Smith "It's important to note that with hindsight can't be used to judge someone's intent." Our issue is that FIA investigator, Bob Holton knew Andrew was brain dead three days into our one hundred fourteen days ordeal.

Wayne City Police knew Andrew was brain dead three days into our ordeal and they protected University of Michigan Hospital from a bad faith allegation by allowing Andrew to be kept alive forty-five days.

Quotes from the Washtenaw County Children's Protection Service Intake Sheet, "3-03-92 Time 4:30 Baby was still on ventilator while he (Sgt. Drews, WCP) was there. The EEG was being performed and they (U of M) would make recommendation at a.m. to parents about life support withdrawal."

Police Investigation Report, "3-04-92, Time 11:02 a.m. received call from Jane Kruger (Protective Service Supervisor) who states

that she had spoken with Dr. Clyde Owings of the University of Michigan Children Protection Unit. Per Ms. Kruger, the hospital will recommend to victims parents that the victim be removed from life support today." The University of Michigan Protective Service (FIA) and the Wayne City Police never informed Andrew's parents he was brain dead, instead a medical conference, 3-10-92 family was informed, "Andrew was going to be relatively normal, not a superstar"

Medical Records, "3-3-92,

Grandpa stated "We have been treated terribly here, we haven't been told anything about this injury (birth trauma) and now you are accusing his parents of beating him...you aren't doing anything to help him get better, he's just laying there."

Protective Service Investigator Report, Bob Holton, 3-4-92, "They (Kimberly and Tony McNeil, parents) deny any wrong doing. They believe that the injuries were connected to some kind of birth trauma."

MICHIGAN COMMUNITY NEWSPAPERS

Letters

Continued from page A-8

ma.” Medical Records “4-1-92, Mom states she is interested in a second opinion because she does not trust one person in this hospital and doesn’t feel comfortable with our advice.”

3-4-92 Bob Holton, Protective Services Investigator, states to my husband James Baldwin, “The University of Michigan Hospital has a history of over reacting in reporting suspect Child abuse.”

On 3-5-92 Bob Holton will make the same statement to seven family members.

There was no needed hindsight in this families case, the evidence was apparent, that the University acted hastily and maliciously that their arrogance would cost this family three children, grief and anger for a life time.

The Michigan Appeals Court ruled, “Although the conduct alleged here by University of Michigan was rude, insensitive and accusatory this court is not prepared to recognize a wholly new tort.”

FIA stated that they were responsible for our children’s “well being” can FIA find any instance where our children’s best interest was considered? Ignorance, Arrogance and Incompetence.

Ignorance because U of M confused Birth Trauma with Shaken Baby Syndrome. Incompetence because a simple bi-lateral burr hole would have revealed Andrew’s problem. Arrogance because they wouldn’t listen to any information the family tried to give.

Karen Smith, states “In terms of her campaigning for law changes that’s every right of every citizen.”

Yes, but first you must obtain a legislators ear and our legislator’s are concerned more with main-

taining the status quo than protecting their citizens and children.

Thank you,
Vera Baldwin

Spin doctors have turned Clinton into a Christ-like figure

To the Editor:
Political correctness drones have discovered new ways to define sexual relations to cover up the shenanigans of a tragic figure. Meanwhile the Republicans have resorted to an unwise overkill strategy designed to attack the President which has ironically made him appear as Harry Truman.

Americans admire a fighter so our President’s poll ratings will continue to climb as the impeachment process continues. Incredibly his spin doctors have created an imagery of the President as a Christ-like figure persecuted by the scribes and pharisees.

Who do they think they are fooling?

Anthos urges readers to voice support for lighting dome

To the Editor:
As stated in your September 25th issue of our Wayne Eagle it has been a bit over ten years since I began a genuine campaign to pay honor and tribute to all of the good people of our beloved home state by trying to induce the members of our legislators in Lansing to light the dome of our state Capitol from base to top in the soft warm colors of illumination of the colors of our nation’s flag-red, white and blue.

The colors would be displayed

upon our dome only on the evenings of selected certain legal American holidays as a unique and patriotic symbol of the might, pride, respect and loyalty to our country. It will also honor all who have given unselfishly of themselves in building Michigan, of those who were born here and to honor those who came to Michigan from other places and gave of themselves for the advancement of our state. It will also honor Michigan’s great contributions to the nation and to the world.

This is not an offensive,, expensive, controversial or political issue that would put Michigan up in arms over. It is a simple and honorable gesture of gratitude to pay respects to all in every facet of our heroic soldiers of all the wars, out police, our teachers, our farmers, students and all the wars, our police, our teachers, our farmers, students and all who work at every respectable endeavor for the betterment of life for themselves and our nation.

Sadly, Governor John Engler opposes this simple tribute, as does the Lansing State Journal, who let it be known it would never endorse the noble tribute for Michigan. Dome supporters are aiming for the nation’s first such tribute for Memorial Day, year 2000 to bring in a new Century.

Please bear in mind it will not cost a vastly sum to light our Capitol dome for state and country, whether it be publicly or privately funded. And like our Statue of Liberty that stands tall in New York harbor it will be a symbol of the peoples who have made our nation the bastion of freedom to build a nation and to build one’s dreams-to help elevate mankind to its very highest potential.

I am asking those who also favor this majestic proposal to please write to their area state representatives, to the Lansing State Journal’s editor at 120 East Lenawee Street, Lansing, Michigan.

AUGUST, IRENE D.
 Age 70, of Westland, passed away on September 28, 1998 in Commerce Township, MI. Beloved wife of Donald. Dear mother of Kevin, Greg and Donald. Also survived by 2 sisters and 5 grandchildren. Services were held on October 2, at St. Richard Catholic Church with interment at St. Hedwig Cemetery in Dearborn Heights, MI. Mass offerings to St. Richards Catholic Church would be greatly appreciated.

BETZ, CHARLES O.
 Age 88, of Jupiter, Florida, (formerly of Wayne), passed away on September 24, 1998. Beloved husband of the late Thelma. Loving father of Jerry (Joyce), Allen (Margaret), Norman (Donna) and Calvin (Mary Lynn). Grandfather of 8 and great grandfather of 4. Services arranged by the Harry J. Will Trust 100 Funeral Home, 34567 Michigan Avenue, Wayne, Michigan. Donations to the Hospice of Palm Beach County, 3500 East Avenue, West Palm Beach, Florida appreciated.

FLAVELL, JEAN A.
 Age 66 of Belleville, passed away on October 2, 1998. Beloved wife of Frederick. Dear mother of Richard, Frederick and Patricia. Also survived by her sister Lynn and 6 grandchildren. Preceded in death by her parents. Services were held October 5, at the Belleville First United Methodist Church with interment at Hillside Cemetery, Belleville. Arrangements by David C. Brown Funeral Home of Belleville. Memorial Contributions to Arbor Hospice or to the Belleville First United Methodist Church would be appreciated.

FRY, PHYLLIS A.
 Age 52 of Taylor, passed away on October 2, 1998. Dear mother of Rusty, Roger, Todd, April and Darlene. Also survived by 7 grandchildren and by companion Bill Nickles. Services were held on October 5, at Uht Funeral Home with interment at Woodmere Cemetery, Detroit.

LANAGAN, ADELINA M.
 Age 97, of Westland, passed away on September 27, 1998 in Wayne, MI. Beloved mother of Patricia (Orville) Amrose. Also survived by 5 grandchildren, 10 great grandchildren and 3 great-great grandchildren. Services were held on September 30, at the Vermeulen Funeral Home with interment at Michigan Memorial Park, Flat Rock. Memorial Tributes to the Hospice of Michigan would be greatly appreciated.

LOKUTA, BARBARA L.
 Age 66 of Wayne, passed away September 27, 1998 in Livonia. Beloved wife of Paul Lokuta. Dear mother of Liana (Kevin) S. Also survived by sisters Marcene M., Coral S., and Nancy P. Arrangements by Vermeulen Trust Funeral Home, Westland. Memorial tributes to charity of choice.

MACK, LORANE E.
 Age 65 of Plymouth, (formerly of Detroit), passed away on September 30, 1998. Beloved wife of Ronald. Dear mother of Karen, Terry and Richard. Also survived by her brother, sister and 7 grandchildren. Preceded in death by her parents. Services were held on October 2, at Vermeulen Funeral Home with interment at Glen Eden Memorial Park. Memorial Contributions to Angela Hospice, Livonia or to Karmanos

Cancer Institute, Plymouth Region would be appreciated.

MAHLE, JOYCE E.
 Age 65, of Wayne MI., (formerly of Detroit, MI.), passed away on September 28, 1998 at Oakwood Hospital, Dearborn. Loving wife of William. Dear mother of Karen, Julie, Bill and Scott. Also survived by 3 sisters, 6 grandchildren and many friends. Preceded in death by daughter Carol and 2 brothers. Services were held on October 3, with interment at Glen Eden Cemetery, Livonia MI.

MCDONALD, LOUISA A.
 Age 38, of Van Buren Township, passed away on September 29, 1998 at her residence. Beloved wife of Keith. Dear mother of Sarah. Also survived by her father George Beard and 4 brothers. Services were held October 2 at the David C. Brown Funeral Home, Belleville with interment at Union-Udell, Ypsilanti. Memorial contributions to the ALS Association (Lou Gehrig Disease) Memorial Fund in Honor of Sarah McDonald would be greatly appreciated.

MCPHERSON, ADELIA K.
 Age 97 of Saline passed away September 27, 1998 at Saline Evangelical Home. Dear daughter of the late Carl and Pauline (Engelbert) Elfer. Also survived by 1 grandchild. Preceded in death by her husband Zeb M., her parents and two daughters, Audrey S., and Doreen M. Cremation rites have been accorded at Southern Michigan Crematory in Ann Arbor. Arrangements by David C. Brown Funeral Home, Belleville. A memorial service will be held at a later date.

PALMER, JULIAN R.
 Age 77 of Garden City, passed away September 28, 1998 at University Hospital, Ann Arbor. Beloved husband of Lizzoria McFall. Dear father of Virginia (Roger) J., and Julian, Jr. (Susan). Also survived by 4 grandchildren, and 4 great grandchildren. Preceded in death by son John. Services were held September 29 at Uht Funeral Home with interment at Cadillac Memorial Gardens West, Westland.

PARR, ELIZABETH V.
 Passed away on September 29, 1998 in Grand Rapids Michigan where she had been residing for the past ten years. She was born on June 24, 1902 in New Boston Michigan, the youngest child of George and Elizabeth Uht. She was the wife of the late Russell D. Parr, Attorney at Law. She is survived by her four grandchildren, Carol Bogardus (Victor), Wallace D. Parr, Mary E. Tulose (David), Alice Marie Parr, seven grandchildren and three great-grandchildren. Services were held on October 2, at Uht Funeral Home in Westland. Officiated by Rev. Robert Miller with interment in the Glenwood Cemetery, Wayne, Michigan.

ROHLOFF, CATHY E.
 Age 39, of Benton, Ohio, (formerly of Detroit), passed away Sept 27, 1998. Beloved wife of Richard. Dear mother of Kristi and Ricky. Also survived by her parents Ernest and Margaret Miskell, 2 brothers and 1 sister. Services were held on September 30 at Uht Funeral Home, Wayne.

SHOEMAKER, WILLIAM J.
 Age 84 of Westland, (formerly of Iron Mountain, MI), passed away on October 3, 1998. Beloved husband of Emojene. Dear father of Sandra, James and Richard. Also survived by 1 brother, 1 sister, 7 grandchildren and 6 great-grandchildren. Services were held on October 6, 1998 at Uht Funeral Home with interment at Parkview Memorial Cemetery, Livonia.

SMITH, HAZEL M.
 Age 87 of Romulus, passed away September 24, 1998 at Belle Woods Continuing Care Center. Dear mother of Jo E., Lori G., Martin S., David S., and Franklin S. Also survived by sister Helen H., 9 grandchildren, 8 great grandchildren, and 1 great, great grand. Preceded in death by husband Pryor H., 2 sons, 3 brothers, and 4 sisters. Arrangements by Crane Funeral Home, with interment at Hartley Cemetery,

Smithville, West Virginia.

STEFFY, EVELYN M.
 Age 75 of Belleville, passed away on October 4, 1998. Beloved wife of the late Albert. Dear mother of Roland, Cloatie, Herman, Jacquelyn, Jonathon, Lenora and Colin. Also survived by 4 sisters, 8 grandchildren and 3 great-grandchildren. Preceded in death by her parents, 2 brothers, 1 sister, 1 son and 1 grandson. Funeral services were held on October 7, 1998 at David C. Brown Funeral Home in Belleville with interment at Hillside Cemetery, Belleville. Memorial Contributions to the Hospice of Southeastern Michigan would be greatly appreciated.

TACKETT, LUCILLE
 Age 73 of Westland, (formerly of Cobb, Kentucky), passed away on October 1, 1998. Beloved wife of the deceased Jesse, dear mother of Diane, Karen, Pamela, Janice, Nancy, Michael and David. Also survived by her father Fay Mitchell, 2 brothers, 28 grandchildren and 2 great-grandchildren. Preceded in death by son, Kenneth. Services were held on October 5, at the Vermeulen Funeral Home Westland with interment at Parkview Memorial Cemetery, Livonia. Memorial Tributes to the Charity of choice would be appreciated.

WATSON, KEITH "SNAKE" YPSILANTI TOWNSHIP, M.I.
 Age 29, passed away Wednesday, September 30, 1998 at St. Joseph Mercy Hospital. He was born on April 13, 1969 in Ypsilanti, MI. Survivors include: 3 children, Brea, Zachary and Christian; his parents Dianna Watson of Ypsilanti and Willie Watson of Romulus; 4 brothers, Jimmy, Darryl, Maurice and Jonathan; 4 sisters, Donna, Sherry, Dawn and Lawanda; a special friend, Krista Dolphin; and a host of aunts, uncles, cousins, nieces and nephews. He was preceded in death by 2 brothers, Willie Jr. and Willie III and by 2 sisters Anita and Daun. The funeral service was held at 11:00 a.m. Wednesday, October 7, 1998 at New Covenant Missionary Baptist Church with Rev. J. Nathaniel Crout officiating. Burial will follow in United Memorial Gardens. The family hour will be 7-8 p.m. Tuesday at Stark Funeral Service Moore Memorial Chapel where friends may call 4-9 p.m. Tuesday and at the Church from 10

a.m. Wednesday until time of service.

WATSON, KEITH "SNAKE"
 Age 29 of Ypsilanti, passed away on September 30, 1998. Dear father of Brea, Zachary and Christian. Loving son of Dianna and Willie Watson. Also survived by 4 brothers and 4 sisters, a host of aunts, uncles, cousins, nephews, nieces and Krista, a special friend. Preceded in death by 2 brothers and 2 sisters. Services were held on October 7, 1998 at New Covenant Missionary Baptist Church with interment at United Memorial Gardens. Family hour will be held at Stark Funeral Service Moore Memorial Chapel.

WEGRECKI, KEITH A.
 Age 32, of Westland MI., passed away on September 30, 1998 in Westland. Beloved husband of Vanessa Tarnowsky. Also survived by his parents, Harry and Barbara, grandmother, nephew, niece and godchildren. Services were held on October 3, with interment at St. Hedwig Cemetery, Dearborn Heights, MI.

WILSON, ROSE
 Age 88 of Romulus, passed away October 10, 1997. Beloved wife of the late Edgar Wilson. Dear mother of Jane Billecke (Stephen) and the late Nancy M. Ferris. Grandmother of Stephanie Billecke, Scott Billecke, and Lisa Ferris Weissman (Mark). Mother-in-law of Stephen P. Ferris. Interment at Our Lady of Hope cemetery, Southgate, Michigan.

How to Buy a Furnace without Getting Burned!

Furnaces are expensive and you don't buy one every day. So if you're a little nervous about buying a new heating system, call for your FREE copy of "Your Guide to Home Comfort." Learn the five things you should ask a heating contractor before the work begins.

Glenn puts title on line at Salem

Winner gets share of Lakes Division crown

Chuck Gordon

By TOM MOORADIAN
MCN Staff Writer

Westland John Glenn will place a five-game winning streak and the Western Lakes Conference, Lake Divisional title on the block when the Rockets visit Plymouth-Salem Friday night.

Also at stake in this Lakes Division showdown is the right for the survivor to meet defending conference champ, Farmington Hill Harrison, for the conference championship.

Harrison also is riding the crest of a five-game win streak and is ranked at the top of the

state polls.

Salem's Tom Moshimer realizes his team must play its best if it wants a share of the title. And the Rocks must eliminate the mistakes that have plagued them in the previous five games. They needed a rally to beat North Farmington on Saturday, a game Salem pulled out 39-20.

"We're going to face a very physical team and probably the conference's best running back in Reggie Spearmon," said Moshimer, commenting upon the upcoming duel with Glenn. "There's a lot of speed on that team as well. When you

pull all of this together, you know that you're going to have to play your best to win."

After spotting Livonia Stevenson a first-quarter touchdown, Glenn coasted to a 25-6 victory over the Spartans for its fifth victory in as many starts. The Westlanders erased the 6-0 deficit midway in the opening quarter when Chad Sansom took the kickoff and returned it to the 48-yard line.

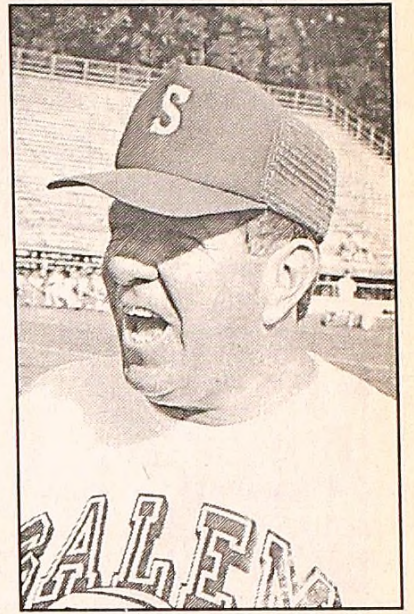

On the first-play from scrimmage, Glenn quarterback Nick Hudson pulled off the option perfectly and went right up the middle with the ball and did not stop until he crossed over

the Spartan goal line.

Jeremy Catarino kicked the extra point that lifted the Rockets to a 7-6 lead, and Glenn never trailed after that point.

Glenn widened the margin early in the second period when Spearmon dove over from the two after a midfield drive. The senior back was responsible for most of the yardage in that march.

Catarino then missed the extra point, and the two teams settled for a 13-6 halftime score.

Romulus heads for Robichaud battle

Eagles survive Inkster shootout

By TOM MOORADIAN
MCN Staff Writer

Undefeated Romulus literally survived a shootout Friday afternoon at Inkster.

The Mega Conference, Gold Division football game was called shortly after the beginning in the third quarter when gunshots rang out in the high school parking lot.

Officials decided to call the game in that quarter to protect the lives of the fans and players. They awarded the victory to Romulus, which had built up a 43-0 lead at the time.

According to an eyewitness, several teens were smoking marijuana in the parking lot when they were approached by a group. There was an exchange of words between the two groups, and the talk suddenly turned ugly.

"The group, I would say they were between 15 and 19 years old, jumped in their cars and suddenly I heard noise which, at first, I thought were firecrackers," said the witness.

"Then I realized they were shooting at each other. I was in my van, feeding my child, and I ducked," the witness said. "Believe me, I won't allow my kids to attend another event over there."

Police rushed to the scene and secured it. No one was reported injured from the gunfire. There were no arrests.

School officials on Monday said that they believe that those involved were dropouts who hang around school grounds only to cause trouble. The melee had nothing to do with the game or the fans, they added.

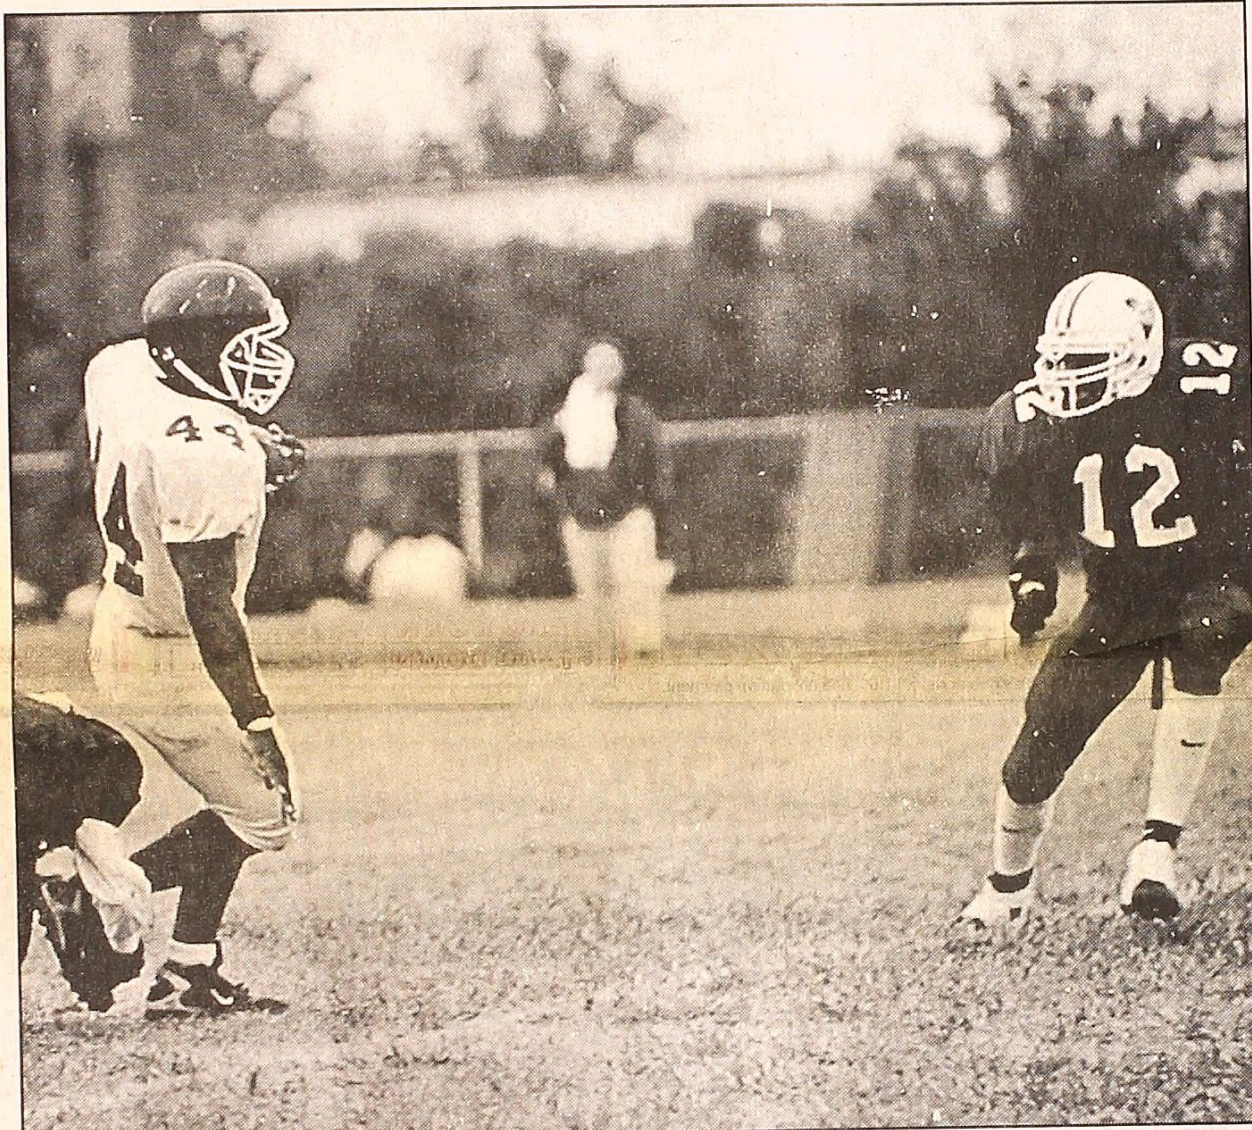

Romulus dominated the game. With senior tailback Freddie Russell scoring five touchdowns on 12 carries and 93 yards, the Eagles had little trouble on the gridiron against a defenseless Viking squad.

Quarterback Chris Boykins also connected on four of five passes for 168 yards and one touchdown, while A. C. Chadwick made two catches for 104 yards and one touchdown.

On defense, Romulus received an outstanding effort from Rick Foster, the inside linebacker who was credited with three solos and five assists.

First-year Inkster High coach Mark Townsend said that he had no excuse for his team's poor effort against Romulus.

"We weren't ready to play," Townsend said. "We knew that they had a very talented team this year and they surely proved it. They came in with an all-out blitz, and we

See **EAGLES**, page B-4

Inkster High had problems on and off the field when undefeated Romulus invaded the Viking Stadium Friday afternoon. Coach Mark Townsend's club found it difficult moving against a tough Eagle defense which held the hosts scoreless three quarters until gunshots rang out in the parking lot and officials decided to end the game before someone got seriously hurt. Romulus was awarded a 43-0 victory, their fifth straight win. In the above photo, Romulus's A. C. Chadwick shows why the Vikings couldn't generate any ground game during their contest, while the air collision at the right also held Inkster in check.

Inkster takes on a winless, rebuilding Willow Run Friday in Ypsilanti, while Romulus & Freddie Russell will travel to Dearborn Heights where they will find a very capable Robichaud waiting. MCN photo by Aaron Ortiz

Yauck: They have a very explosive team

By TOM MOORADIAN
MCN Staff Writer

Robichaud coach Bob Yauck, Jr. knows what he has to do to stay atop of the Mega Conference, Gold Division football world.

The question is can he and his Bulldogs do it?

The perennial grid powerhouse will host state-ranked and undefeated Romulus on Friday and Yauck's assignment is "stop Freddie Russell".

But how?

No one has been able to pull the plug on the speedy Romulus tailback who scored five touchdowns in his last outing, in a 43-0 beating of Inkster.

Yauck says that the key to Friday afternoon's showdown will be turnovers and the defense.

"We must eliminate our mistakes, there's no doubt about that. They (Romulus) have one of the most explosive teams I have ever seen."

Yauck has seen many. As a former Robichaud High grid star who went on to star in college before coming back to join his father's staff at Robichaud, the young coach stressed "this will be one of our biggest games of the season."

"Everything rides on this one."

Romulus coach Mark Woodson, an all-state prep at Robichaud High who also had a brilliant college career, agreed that Friday's match up will be an exciting one.

Woodson also recalled that his Eagles dropped a close game a year ago against his former team when Robichaud rallied from a 21-7 deficit and scored three TDs in the final quarter to beat the Eagles.

"I expect a great game and all I can say is buckle up your seat belts and get ready for the ride."

Yauck figured he needed some more firepower in his offense, so last Friday he switched a couple of players in the starting lineup.

The change paid off as Riley rushed for 191 of his 229 yards and scored the Bulldogs' first touchdown.

Instead of starting Quantray Riley at his usual spot, quarterback, Yauck moved him to tailback, and alleviated sophomore David Jarrett to the starting QB slot.

The change paid off as Riley rushed for 191 of his 229 yards and scored the Bulldogs' first touchdown in a 24-8 triumph over the host, Rouge, Friday night. Jarrett responded with a pair of touchdowns, one a 70-yard jaunt off of an option that left a burned a score of Rouge defenders, who didn't lay a hand on the soph ballcarrier.

It was Robichaud's fourth straight Mega Conference victory after losing a non-conference opener to Grosse Ile.

Pleased with the victory, Yauck said he was displeased with the number of turnovers. The Bulldogs fumbled five times, and they lost possession four of those times.

"We definitely can't keep on losing the ball the way we have been, especially this week," Yauck stressed. "But I will say this, our kids didn't quit. They played over their mistakes."

Robichaud defensive end Justin Orr turned in a superb performance against the Panthers as he collected four sacks, two unassisted tackles and had a fumble recovery.

Rouge averted a shutout early in the fourth quarter when the Panthers turned a turnover into a 40-yard TD jaunt.

Jarrett, a 6-1, 185-pound athlete scored his second touchdown on a superb 81-yard run, and he capped a 70-yard sustained drive with a one-yard QB touchdown sneak. In that one, Riley rushed for 68 of the 70 yards on seven carries.

Wayne awaits undefeated Dearborn
Mingo's last minute heroics stops Edsel FordBy TOM MOORADIAN
MCN Staff Writer

They don't come any bigger than the Wayne Memorial and Dearborn High football game on Friday.

Dearborn, undefeated in five starts, which includes a trouncing of pre-season title favorite and defending Mega Conference Red Division co-champ, Monroe, and state-ranked, will invade Wayne Stadium Friday night for one of those traditional do-or-die games, for coach Floyd Carter's Zebras.

Wayne, as the Pioneers realize, won't be an easy "W".

"This Dearborn team has everything," says Carter after his Zebras, thanks to the heroics of quarterback Terry Turner and running back Cameron Mingo pulled out a last second, 25-19, victory over Edsel Ford on Saturday before a rain-soaked homecoming crowd.

"They (Dearborn) have a wide-open offense and an experienced quarterback who can throw the ball. And their tailback can kill you. We're in for a ball game, believe me."

We do.

Wayne also was in a battle to the finish on Saturday. Jack Bridges' T-Birds had nailed Wayne to the wall until Turner, Mingo & Company turned the tide.

Mingo scored twice in the final five minutes of the game - on a 30-yarder and a 48-yard screen pass from Turner to tie, and then give the home team the lead for good.

"You can't say enough or write enough about how this team refused to quit and came back and won," Carter

stressed. "We're going to need another gutsy performance from everyone if we hope to stop Dearborn."

Mingo, playing injured, got Wayne on the scoreboard in the first quarter when he capped a 61-yard drive in nine plays with a two-yard TD run. Willie Perryman's point-after attempt was blocked by Shawn O'Connor.

In that drive, Turner kept things going when he connected on a fourth and eight situation on a 10-yard pass to Nick Scott.

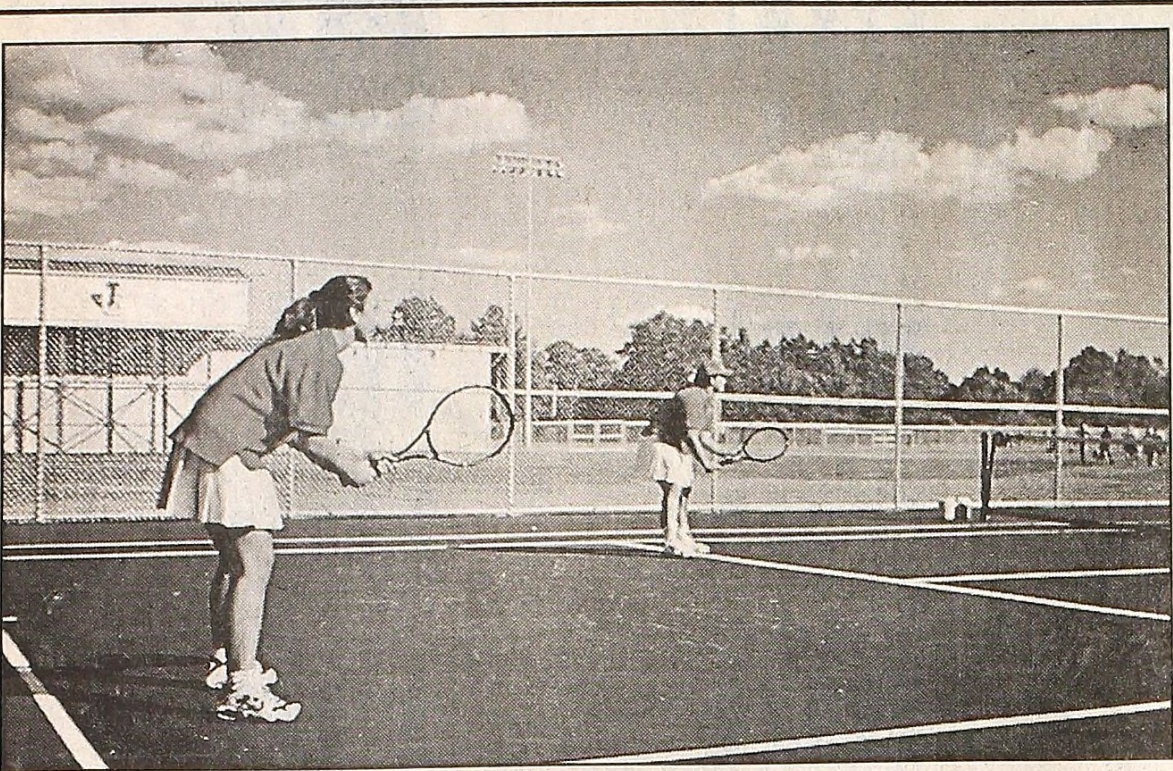

But the T-Birds came right

back and capitalized on a punt return fumble recovery which Edsel's Matt Mark pounced on at the Wayne 16.

In two plays, Edsel was on the scoreboard thanks to Hani Abdallah's two-yard run. Kevin Zureki's extra-point gave the T-Birds a 7-6 lead with 3:01 on the board.

Wayne erased the deficit thanks to running back Kwame Hampton's 12-yard touchdown jaunt at 8:22 in the second quarter. Turner's attempt for the two-point conversion

With the new John Glenn tennis courts as a backdrop, Glenn coach Jacquie Norton (photo at left), Rockets' No. 1 singles Jenny Huang and No. 2 singles Izabel Bota, along with coach Jennifer Riley are ready to host arch-rival, Wayne Memorial for their annual cross-district rivalry. Glenn posted an easy 7-1 victory over their visitors. In photo above, Glenn's Pam Sielski and Renae Kolb await the volley from rivals Denise Daniels and Angela Spear. Glenn won the No. 1 doubles match 6-1, 6-0. Photos by Don Richter

Glenn posts 1st win on new court

By TOM MOORADIAN
MCN Staff Writer

It seemed was appropriate - very appropriate - that Westland John Glenn should post its first-ever victory on its newly-constructed tennis court at the expense of natural rival, Wayne Memorial.

Glenn dominated the singles' competition and won a lopsided 7-1 decision over their visitors.

"It was a good win for us, especially for our seniors who were playing their last matches," said Glenn coach

Jacquie Norton. "The girls played well today."

Glenn's Jenny Huang had no problem with Wayne's No. 1 stick as she turned back Jenny Sheppard 6-2 and 7-5, and teammate Ezabel Bota took the No. 2 singles 6-2 and 6-3 over Andrea Bean.

In the No. 3 singles competition, Megan Lyons started off with a 6-2 win over Saratz, then wrapped up the series by beating her Wayne counterpart 6-4 for a 2-0 victory, but Jenny Clark helped Wayne avert the shutout when she gave Wayne its

only victory which came in the No. 4 singles. Clark mastered Jessica Nowaczek, 7-5 and 6-1.

In the meantime, Glenn's doubles' teams had an easy ride, taking all four matches.

The No. 1 doubles team made up of Glenn's Pam Sielski and Renae Kolb stunned Denise Daniels and Angela Spear 6-1 and 6-0, while Christian Miller and Stephanie Fedulchak gave the Rockets a victory in the No. 2 doubles, beating

See **TENNIS**, page B-4

Twisters pull out 20-14 victory over Motor City

It was a victory that the Twisters knew they needed to keep their title and playoff dreams alive, and the Western Wayne County semi-pro team responded with a come-from-behind 20-14 victory over arch-rivals, the Motor City Cougars.

On a rain-drenched field at the former Cherry Hill High School on Saturday, the Wayne County Twisters turned back the league-leading and nationally 12th-ranked Cougars.

The victory lifted the Twisters into a two-way tie for first place with the Cougars. Both teams are now 8-2 on the season.

"Our loyal fans braved the cold and heavy rains to watch this battle," said Glenn Brothers, general manager of the Twisters. "I don't think any one went away disappointed."

"It was a bruising battle of

locally born and bred talented titans."

Scoreless the first quarter, the Cougars were the first to draw blood. The Cougars connected on a 42-yard pass play that put them on the Twisters' 7-yard line early in the second quarter. Then, two plays later, Motor City scored and added the extra point to take a 7-0 lead.

Within three minutes, the Twisters were on the scoreboard with their first TD.

The Cougars' punt return specialist mishandled a punt that Chuck (Thunder-hoof) Petipas put into orbit. The ball wound up in the Cougar end zone and Twister linebacker Bob Pensari pounded on it for the six-points.

The point-after failed, leaving the Twisters with a one-point deficit.

Incidentally, Pensari's touchdown was his first ever score in the sport.

Neither team managed to get on the scoreboard the rest of the initial half as the defenses took over.

Midway in the fourth quarter, the Cougars widened the gap with their second - and final - touchdown of the game. They completed an 18-yard pass for that one and the point-after was good.

It didn't look good for the Twisters.

Faced with a 14-6 deficit, Brothers' Twisters found themselves pinned to their two-yard line before they began to dig themselves out of the hole.

Twister QB Brian Kutch began the rebellion as he connected on a 27-yard strike to

See **TWISTERS**, page B-4

Romulus to honor ex-coach

Romulus High and baseball fans will honor former baseball coach Don Foley during the fourth annual Alumni Baseball Game.

Foley, who was *The Michigan Community Newspapers'* Coach of the Year in 1997, resigned after nearly a decade with the team after in May of 1998 to spend more time with his young family.

The Alumni Baseball game

will be staged beginning at 12:30 p.m. on Oct. 10 at the Charley Lau Memorial Field, located behind Romulus High School 9650 S. Wayne Road.

The alumni leads the series, 2-1.

Newly-appointed Romulus baseball coach Keith Brothers said that fans and players will be meeting at Leonardos Ristorante, Merriman Road, in Romulus after the game for an

informal dinner.

"The coaching staff is inviting all participants, along with their families to join us for dinner and to reminisce with classmates and former classmates," Brothers added.

Brothers said that the staff will also discuss the 1999 season and baseball program.

For more information, fans may contact Marge Bergman at (734) 941-0272.

Girls' volleyball clinic dates set

Schoolcraft College volleyball coaching staff will host clinics for young ladies who want to improve their volleyball skills.

The clinics are geared for athletes in the seventh through ninth, and the 10 through 12 grades, according to coach Tom Teeters.

"This is a pre-season and high performance training clinic," notes Teeters, who also pointed out the "goal is to prepare a better volleyball athlete by separating the strength

and conditioning phase of practice from the volleyball skills development phase.

Teeters, who serves not only as head coach at Schoolcraft but at Plymouth-Salem as well, and Nikki Stubbs, the MVP at the 1988 NJCAA National Volleyball Tournament will direct and coach the skills.

Also, Kirk Vickers, former Athletic Therapist with the Detroit Red Wings and head trainer for Detroit Arena Football, will instruct the volleyball-specific strength and

conditioning sessions.

The schedule is broken down into choices: Choice One - Fridays - Oct. 9, 16, and 30, and Nov. 6, from 7 to 9 p.m. and Oct. 23 from 5 to 7 p.m. in the Main Gym.

On Sundays - Oct. 11, 18, 25, Nov. 1, 8, from 5 to 7 p.m. in the Auxiliary Gym.

There is a \$200 per player registration fee. Please contact Schoolcraft College at 734-462-4413 for further information.

Alpena Invitational

Glenn packs up and heads 'up North'

By TOM MOORADIAN
MCN Staff Writer

They may have problems winning in their conference this year, but Westland John Glenn handled cross-district rival, Wayne Memorial, with ease in their annual cross country encounter last week.

Coach Jess Shough's Rockets swept the first five places in a 15-48 trouncing of non-conference victory over Wayne.

However, the Rockets had their problems against a North Farmington squad that surfaced with a 24-31 win in the Western Lakes Conference meet.

Shough and his Rockets will pack up their gear and will be in Alpena on Saturday to compete in the annual invitational that brings together some of the best teams and distance runners in the state.

The Westlanders have always fielded a competitive team at the tournament which includes teams from Rogers City, East Tawas, Grayling, Sault Ste. Marie and Oscoda.

Glenn will carry a 3-3 record to the invitational after its latest split.

Despite season's best times from Josh Keyes, P. J. Wolocko and Kevin Durigon, the Westlanders found themselves on the losing end of a 24-31 decision with North Farmington.

North received an outstanding performance from Charlie Stamboulion, who set the pace in claiming the meet's individual honors. Stamboulion was clocked in 16:59. Glenn was second with Josh Keyes who turned in his best effort of the year with a 17:05.

But North countered with third-place finishing Matt Niegard (17:27) who crossed the finish line before Glenn's

Wolocko (17:39).

With Mike Millat giving North a fifth (17:50) and Justin Keyes coming in sixth (18:00), North wrapped up the win when two of their runners - Etaan Goodman and Isaac Kaufman - ran seventh (18:28) and eighth (18:29), respectively.

Kevin Durigon (18:39) and David Teets (18:44) rounded out the scoring for the Rockets. They finished ninth and tenth.

On Tuesday, Glenn hosted its 17th annual (15th annual for girls) Freshman/Sophomore Invitational, which was staged at the Westland Central City Park.

The field included teams from Ann Arbor Huron, Detroit Catholic Central, Dearborn, Garden City, Livonia, Churchill, Northville, Plymouth-Salem, Wayne Memorial, Ypsilanti and John

Vikings run win streak to 3 meets

By TOM MOORADIAN
MCN Staff Writer

First-year Inkster cross country coach Keith Bailey has the Vikings off and running in the Mega Conference, Gold Division.

Undefeated in their first three starts, Bailey and the Vikings picked up a 20-38 victory over Highland Park as Inkster's Chauncey Darden and James Swanigan again set the pace with 1-2 finishes.

"We're looking good," says Bailey, who also is realistic about his young team capturing any divisional title this year. "We're 3-0 at this point, but the power in this division is Annapolis (Dearborn Heights), and we're a long way from catching them."

Bailey noted that Annapolis has two runners in its lineup that run the 3-miles in 17 min-

utes.

"We are not in that class, not yet, anyway," Bailey offered.

Darden continued to look good as he toured the Highland Park course in 18:42 for a personal victory. Teammate Swanigan, who was clocked in 19:25, finished second.

The Vikings also counted the scores of Al Overman, who finished fourth (19:29); Michael Williams (5th - 19:39) and James Thornton (7th - James Thornton).

Bailey will take his runners to Southgate today (Thursday) for a dual meet with Carlson. The Vikings will have to improve their times against their divisional opponents if they hope to post their 4th victory. Carlson is expected to give Annapolis a battle for the 1998 championship.

Meet

Continued from page B-3

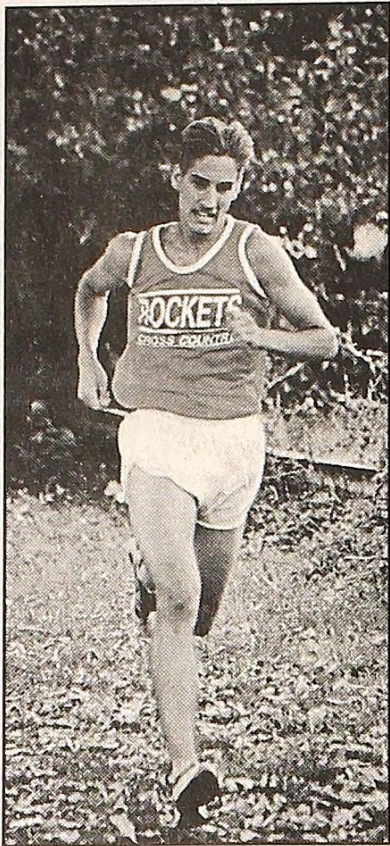

Glenn.

In the Women's Division are Ann Arbor Huron, Dearborn, Edsel Ford, Garden City, Churchill, Northville, Plymouth-Salem, Wayne Memorial, Ypsilanti, Bloomfield Hills Marian, Livonia Ladywood and John Glenn.

Here are the results of the Westland John Glenn 15, Wayne Memorial 48 meet:

1. Josh Keyes (JG - 17:33) 2.P.J. Wolocko (JG - 18:22) 3.Justin Keyes (JG - 18:27) 4. David Teets (JG - 18:56) 5. Kevin Durigon (JG - 19:14) 6. Steve Daniels (WM - 19:14) 7. Mark Parent (JG - 19:44) 8. Eric Sleep (JG - 20:08) 9. Josh Miller (WM - 20:46) 10. Steve Baxendale (WM - 21:12).

Also in the field were: 11. Jeremy Johnston (WM - 22:13) 12. Frode Fuskeland (JG - 22:24) 13. Greg Wilcox (WM - 22:56) 14. Kameron Sleep (JG - 23:38) 15. Joe Reilly (JG - 23:51) 16. Devin Redd (JG - 26:42) and 17. Jeff Caine (JG - 31:42).

Josh Keyes

Glenn

Continued from page B-1

While Glenn managed to shut down the Spartans' aerial assault and ground game thanks to a defense led by linebacker Bobbie Hagelthorn and defensive end Dave Lewandowski, the Rockets got on the scoreboard in the third quarter on a reverse that Eric Jones pulled off and covered 21 yards.

Wayne

Continued from page B-1

failed, but the Zebras were up 12-7.

Edsel drove right back after the ensuing kick and strung together a 77-yard, eight-play drive that ended with Kureki's 26-yard strike to Dan Regan in the end zone.

Regan's pass for the two-point conversion failed, and the T-Birds were in control, 13-12.

It got worst for Wayne.

A blocked punt set up Edsel's third TD of the afternoon. The visitors took possession on the Wayne 17, and it

Spearmon's seven-yard touchdown run in the fourth rounded out the Rockets' scoring.

Spearmon rushed for 169 yards, added three more touchdowns to his total on 33 rushing attempts. Jones finished with one TD, 48-yards rushing and was given five opportunities.

Hudson went to the air five times and found receivers on three occasions for an additional 28 yards.

Smitherman, playing safety, snatched an interception that thwarted a Stevenson drive.

In the meantime, fullback Jason Lukasik and halfback Archie Kinney combined for four touchdowns to lead the Rocks to their third victory in four starts. Lukasik finished with 124 yards on 11 carries and had touchdown runs of 75 and 24.

Kinney crossed over the seam twice from four yards out.

Sophomore Chris Lott also accounted for a Salem score when he picked off a North pass and raced 73 yards for a touchdown in the second quarter. Eric Peterson's two-yard TD plunge gave the Rocks their fourth TD.

Moshimer was not impressed with his team's early performance. NF got on the scoreboard in their first series of plays - on the third play from scrimmage, Eric Feldman and Gary Penet teamed up for a TD.

Perryman's extra-point effort was good and the fans were looking at a 19-all score.

ondary, set up the next Wayne touchdown when he picked off a Kureki pass at the Edsel 30.

After two unsuccessful plays, Turner tried a draw on a third and 10 crisis situation and it worked, as Mingo managed to break away from one defender in the backfield, kept his balance, then eluded two other would-be tackles before sprinting 30 yards across the goal line.

Perryman's extra-point effort was good and the fans were looking at a 19-all score.

The knot snapped with 40 seconds left in the game.

Turner and Mingo teamed up on the 48-yard screen pass that gave Wayne its fourth win

in five starts.

Mingo finished the afternoon with 127 yards and two touchdowns on 16 attempts, while Hampton added 35 yards on 11 tries and one TD.

Of his 15 passes, Turner found receivers for five for 110 yards and one touchdown. The Wayne QB also intercepted twice, while Hampton and Curry each had one interception.

Wayne also held the edge in first downs 17-8 and executed 64 plays to Edsel's 35. The Zebras racked up a total of 324 yards - 214 rushing and 110 passing as compared to Edsel's 168 yards - 112 rushing and 56 passing.

Twisters

Continued from page B-2

David Ryan.

Ryan did not stop with the catch. He brushed two Cougar defenders aside, pivoted pass a third and went the distance for the touchdown. The play covered 71-yards.

"This play covered a total of 98 yards and is the longest, to date, pass play in the history of the Lake Shore Football League," Brothers noted.

In an attempt to force the issue into an overtime period, the Twisters went for the two-point conversion but failed. The Cougars remained on top, 14-12.

After the ensuing kickoff, the Twister defense stopped the Cougars in their tracks. Within two minutes, the visitors were forced to give up the ball via a punt.

With a first and 10 on their own 48-yard line, the Twisters had to find a way to crack the Motor City defenses, and they

had 40 seconds within to do it.

On the first play from scrimmage, Pat Bowie cruised through the Cougars defense and, thanks to some outstanding blocking, continued on his way toward the Cougar goal line. He was stopped at the 8-yard line.

On the next play, Eddie Trent picked up seven yards, one-yard shy of the TD.

It was up to Bowie then to finish off the Cougars and he didn't fail. He powered his way over the line and into the end zone to give the Twisters the lead for the first time, 18-14.

The Twisters opted to go for the two-pointer, and Trent found the hole that gave them their final two points.

The victory assured the Twisters of the home field advantage for the Oct. 10 playoffs. They'll host ever-dangerous Zanesville (Ohio) Fury p.m. Oct. 10 at the Academy of Detroit.

The field is located at 28500 Avondale between Middlebelt and Inkster roads.

Kickoff is scheduled for 3:30 p.m.

Tennis

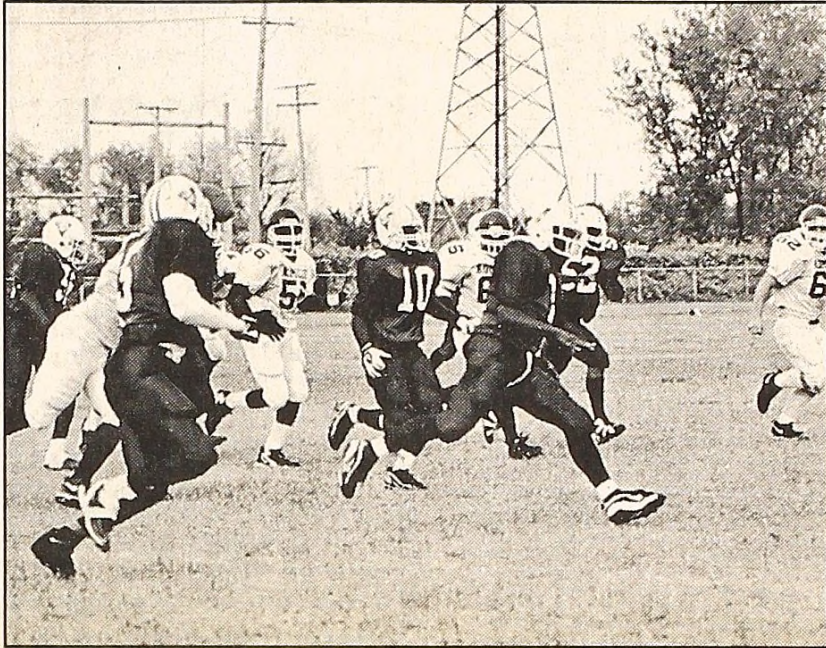

Continued from page B-2

Nicole Sachar and Kristen Wolzak in two sets of 6-1.

Then, in the No. 3 doubles, Amy Bidwell and Paul Cottyan surfaced with a 2-0 victory over Toni Watson and Alma Ibanez. The Glenn pair won the first set 6-4, then picked up the second 6-3.

Finally, in the No. 4 doubles, Autumn Palmer and teammate Rajni Dashairya crushed Wayne's Kussandra Shirley and Missy Malone, 6-0 and 6-1.

Glenn wrapped up the dual meet and the Western Lakes Conference phase of the season on Tuesday against Livonia Stevenson and will return to Stevenson on Saturday to compete in the regional tournament.

Although he played less than a half, Romulus senior running back Freddie Russell (with ball) rushed for more than 100 yards, scored five TDs against Inkster in a game abbreviated because of a melee in the parking lot at the high school. Robichaud, which also has designs on the Mega Conference, Gold Division title, must devise a plan to stop Russell if the Bulldogs want to remain in the title chase. Photo by Aaron Ortiz

Eagles

Continued from page B-1

couldn't handle it."

Romulus coach Mark Woodson said that his team got the job done, and that he was very happy that no one got hurt.

"Let me say this," Woodson continued. "I would like to commend Inkster High's school officials, its security staff and the Inkster police on how they handled what could have been a very tragic situation."

"They responded to the emergency and diffused a potentially very dangerous situation," Woodson added.

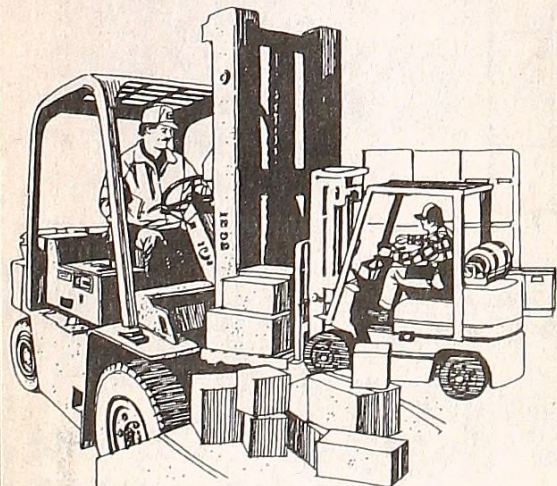

While Romulus travels to Dearborn Heights Robichaud for its sixth game, Inkster will attempt to regroup Friday night at the expense of Willow Run.

MICHIGAN COMMUNITY NEWSPAPERS

1999 Pontiac Sunfire Convertible

Sunfire is perfect for up-and-comers

By VIC BERNSTEIN
MCN Automotive Writer

The 1999 Sunfire delivers a sporty convertible at very competitive prices. Its nearest competition is the Chrysler Sebring and the more costly Ford Mustang. This model is being manufactured at Lordsburg, Ohio with convertible related finish by Genassys Corp in Lansing. So let's take a look at the specifics of this vehicle.

Power. This model comes with 2.4 Liter 16V Twin Cam 4 cycle fuel injected gas engine. While in no way a muscle car, I was surprised by its perk I tested this model on a round trip from Detroit to Traverse City. A good test is passing 18 wheelers and RV's on a winding two lane divided country road. This vehicle had no problem blasting by slow traffic and I never had white knuckle syndrome while doing so. Merging with traffic while entering onto to crowded city highways was not a problem either.

Transmission. Equipped with a powertrain 4 speed electronic automatic transmission with ETS. ETS stands for

Enhanced Traction System which promotes traction by reducing power when either front line slips. I found no grounds to complain. The whole powertrain product works smoothly together to whisk the vehicle effortlessly down the road.

New for 99. A system called passlock which is a strong anti thief system. In essence, this car knows its authorized keys and if hot wired will initiate total engine shut down in 10 seconds for a period of 10 minutes, repeating the process if an authorized key is not then used.

Suspension & Handling. Equipped with Front wheel drive, rack & pinion power crossbar mounted suspension, front deflected-disc McPherson struts, Rear trailing tubular control arms with twist beam, coil springs, 18 mm stabilizer bar and Enhanced Traction System. Braking is provided by 10.2 inch vented disk up front and power assisted drum rear brakes. Steering is power assist rack & pinion rated at 14.7 which translated into a 35 ft turning circle. The end result in non

technical English, this is a vehicle that is responsive and pleasant to drive.

Gas Mileage. It is rated as 22 MPG city and 30 MPG Highway and estimated annual fuel cost of \$ 690. I drove the Sunfire to Traverse city and almost halfway back before refueling. The 15 gallon tank and tested 27 MPG offer great range and economy.

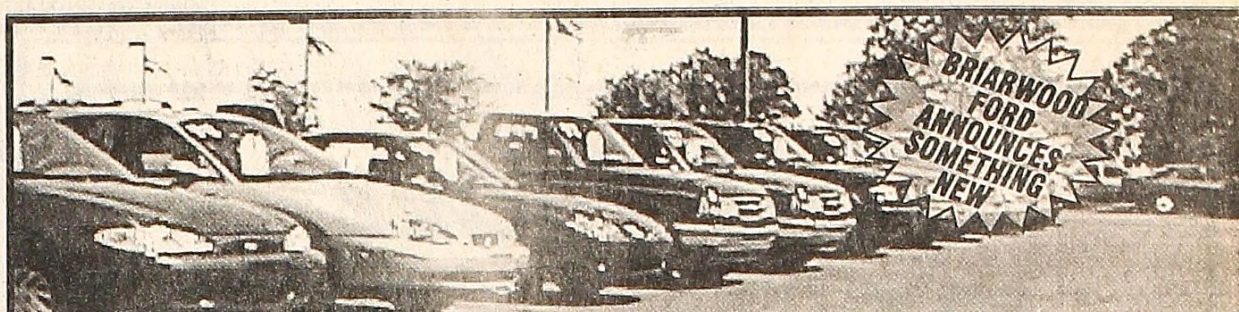

Safety. This vehicle contains next generation driver & front passenger air bags, 4 wheel power anti-lock brakes, day time running lamps, 5 mph front & rear bumpers, and keyless door locking system.

The bottom line. This car meet my expectations, however if funds are available. I would spend more and get the larger Firebird. Having said this, if you want a rag top, are not ready to pay the cashier for the full size model, do not pass up this car. With a MSLP of \$21,145 you will be happy. This stylish fuel efficient, low maintenance, solid performer is perfect for young, up and coming professionals looking for style, affordability and the pleasures of a convertible.

It wasn't the best of days to stage a Homecoming, but Wayne Memorial fans made the most of it and of visiting Edsel Ford. They rallied in the rain to beat the T-Birds to present newly-crowned Homecoming Queen Elizabeth Kleitch (seated in center, above) with a come-from-behind 25-19 victory. Photos by Don Richter

A wet, but grand, Wayne homecoming

The rains wouldn't quit. Fans. Players. Officials were drenched in the wet stuff.

And you wondered why Mother Nature did it to your team, on this of all days. Even worse.

The home town team didn't stand a chance. What a day for a homecoming.

Kill the ref. Hang Mother nature.

But, then, there was that one ray of sunlight that pierced the clouds.

Suddenly, the tide changed.

The Wayne Memorial Homecoming Queen, Elizabeth Kleitch, broke into a smile.

And the world changed for Wayne.

Terry Turner and Cameron Mingo provided the spark that ignited the team.

Wayne, like the rain, would not quit.

Not against these T-Birds from Edsel Ford.

Then that Turner to Mingo screen pass. That pass that cleared the defense and opened the way for the winning touchdown.

Wayne Reports

The City of Wayne Fire Department reports they had 1 industrial fire, 7 'other' fires and 23 rescue calls during the week of Sept. 28 through October 5.

The Wayne Fire Department delivered programs to the elementary schools for Fire Prevention Week. They have asked that you make sure your family has an escape plan that you practice at home, and working smoke detectors.

Canton Robbery

Canton police were dispatched to Arbor Drugs at 43301 Joy Road on Sept. 27 at 8:21pm due to a purse snatching.

The victim left the store and was approached by a man who grabbed her purse and left in a white 1991 Ford Mustang.

The victim, a 47 year old Canton woman was treated for a minor injury sustained to her wrist during the scuffle.

A description of the getaway car and the suspect were given to officers. Canton and Plymouth Twp. officers made a stop of the vehicle and three arrests were made. The victims purse was recovered immediately.

The 3 suspects, all males, (names withheld until arraignment) from Detroit, being held awaiting charges and arraignment.

An investigation revealed that the suspects were involved in several similar incidents in Livonia, Westland and Dearborn Heights during the weekend.

Westland Reports

A man bicycling down Middlebelt was stopped by officers for not having his lights on at 8:58pm on September 21.

After a lien check, the man was arrested for an outstanding warrant held in Dearborn for possession of paraphernalia.

An officer stopped a Westland man while he was walking on Henry Ruff near Palmer on September 21 at 11:30pm.

Good judgment on the officer's part as the man was arrested on a paternity warrant. The man allegedly was not supporting his child.

VanBuren Reports

The Samaritan Group Home

had a medical emergency which sent one person the hospital on September 25 at 6:01pm.

A caller stated that there was an assault and battery in progress in the Woodbury Green Condos on Sept. 25 at 6:40pm.

Officers arrived, no report was made as there was no assault.

Some drag racers near the GM Plant not only were arrested on Sept. 25, but there muscle cars were impounded by police at 9:51pm.

A caller from Meijer's reported malicious destruction of property in progress at 10pm on Sept. 25.

Although, while the caller still on the phone with dispatch, the suspects fled the scene.

Officers responded to a call of a fight at Big Boy's Restaurant at 11:20pm on Sept. 25. The fight was broken up, no arrests were made and no charges were filed.

A whining neighbor complained to police that music was playing too loud in the condo next door on N. Woodbury during the late evening hours of Sept. 25.

Officers arrived, but there was no disturbing of the peace going on.

The fire department went to a home in the 50000 block of Bog Road to put out a mailbox fire on Sept. 26 at 12:44am.

A traffic stop on Michigan Avenue led to a warrant arrest on Sept. 26.

Breaking and entering were the charges made from a storage area in the 41000 block of Huron River Drive on September 26.

Three vehicles reported damage on Sept. 26 in Van Buren. The first was from the 41000 block of Arthur at 6:20am.

The next call was at 8:40am from the 10000 block of Kennedy. Then the last call was from the 11000 block of Buchanan at 12:41pm.

Police went to the 46000 block of Chatsworth to help settle a neighbor dispute at 4:25pm on September 26.

Someone borrowed a vehicle from the 9400 block of Van Born Road on September 26 and failed to return it.

Officers put a lien out on the vehicle and if found, the suspect will be arrested.

pect will be arrested.

A garage on the 12000 block of Hannan Road was found to have been broken into sometime on September 26.

Domestic problems sent officers to Parkwood Manor on September 26 at 9:18pm.

Turned out to be domestic violence and an arrest was made at the scene.

Officers were called to break up a loud party at Parkwood Manor at 2:06am on Sept. 27.

Someone called the dispatch to report a possible fight at the South Service Drive and Belleville Road on Sept. 27 at 2:39am.

If in fact there was a fight, the culprits were gone by the time officers arrived.

An injury accident occurred at I-94 and Belleville Road on Sept. 27 at 6:34am.

Three warrant pick ups were made on Sept. 27. One from the Canton Police Department, one from Wayne County Jail and the last from the City of Wayne Jail.

An arrest was made at K-Mart due to retail fraud at 4:58pm on Sept. 27.

A vehicle was stolen from the parking lot of Lodge Lanes on Sept. 27.

Police were called to the Willow Run Market for a man who was drunk.

The man was given a ride home by officers.

A call from the 9300 block of Parkwood revealed that a juvenile was drunk at the home.

The kid had to be transported to the hospital for intoxication.

A company van was found to have been broken into on Sept. 27 in the 39000 block of Ecorse Road.

Officers went to a home in the 10000 block of Burgman to deliver a message from a caller.

They went to the location only to find that the person who the message was intended for did not live at the address given to officers.

Someone decided not to pay for their gas purchase at one of the station at I-94 and Belleville Road on Sept. 28 at 2:21am.

Officers who responded, found the suspect, who was in turn, arrested.

A warrant arrest was made after a traffic stop on Savage Road on Sept. 28.

A caller from Leggs Lounge reported a possible shooting at the bar.

The police responded, only to find out that it was a drunk caller who wanted to find out if 911 really works.

A car was stolen from Harbour Club Apartments on Sept. 29 at 8:42pm.

A be on the lookout call was placed to all patrol cars in the immediate and surrounding areas.

Someone from Park Estates reported some suspicious looking teenage boys in the area on Sept. 29 at 10:39am.

The boys were only passing out Deck Hockey Information.

A child was struck by a car on Maple Street at 4:32pm. The child was transported to the hospital for treatment.

After observing a man being slumped over his steering wheel in the parking lot of Burger King, officers were called to check out the situation.

The man was arrested at the scene for reasons unknown.

A call from the 42000 block of Zachary reported credit

card fraud on Sept. 30 at 10:48pm.

A woman was found lying in the roadway at Michigan and Denton on October 1. She was transported to Beyer Hospital for treatment.

Meijer's called to report retail fraud on October 1st. Officers responded and an arrest was made.

A drunk and disorderly person was arrested at McDonald's on Belleville Road on October 1 at 9:48pm.

Police were called to the 48000 block of the S. Service Drive for a possible physical domestic problem.

Turned out to be strictly verbal and a report was made.

Service News

Navy Seaman Recruit Kako A. Lyons, daughter of Denise M. Price of Inkster, recently completed U.S. Navy basic training at Recruit Training Command, Great Lakes, Ill. Lakes, Ill.

During the eight-week program Lyons completed a variety of training which included classroom study and practical instruction on customs, first aid, fire fighting, water safety and survival shipboard and aircraft safety. An emphasis is also placed on physical fitness.

Lyons and other recruits also received instruction on the Navy's values -- honor, courage and commitment -- and how to apply them their military performance and personal conduct. Lyons joins

55,000 men and women who will enter the Navy this year from all over the country.

Men and women train together from their first day in the Navy as they do aboard ships and at shore commands around the world.

To reinforce the team concept, Lyons and other recruits also were trained in preventing sexual harassment and ensuring equal opportunity.

Even as the naval service gets smaller over the next few years, highly motivated young people like Lyons are still finding an opportunity to improve their knowledge and education as they become part of the most highly technical naval force in history. This year the Navy will have more than 57,000 job openings and opportunities which include guaranteed training.

She is a 1997 graduate of Southfield High School of Southfield.

Marine Sgt. Ryan M. Williams, son of Donald M. Williams of 19103 Parkwood Lane Brownstown Township recently was promoted to his present rank while serving with Marine Air Control Squadron Seven, Marine Air Control Group 38, Marine Corps Air Station, Yuma, Ariz.

Williams was promoted based on sustained superior job performance and proficiency in his designated specialty.

The 1994 graduate of Southgate Anderson High School of Southgate, Mich., joined the Marine Corps in February 1995.

Lance Cpl. David M. Redmond, son of Chuck Barry of 34100 Biechwood Westland, Mich., recently completed a five-month deployment to the Mediterranean Sea and Arabian Gulf with the 26th Marine Expeditionary Unit (MEU), embarked aboard the ships of the USS Wasp Amphibious Ready Group (ARG).

Redmond was one of more than 2,000 Marines who departed Camp Lejeune, N.C., in February with the ARG that also consisted of the amphibious assault ship and flagship USS Wasp, the amphibious transport dock USS Trenton and the dock landing ship USS Portland.

During the deployment, Redmond's unit participated in Dynamic Response, a multinational exercise off Bosnia-Herzegovina designed to test the strength of naval expeditionary forces in rapidly deploying as strategic forces to support NATO's Stabilization force in Bosnia-Herzegovina. Redmond and fellow Marines also participated in Exercise Determined Falcon, a multinational exercise involving 13 NATO countries.

Redmond's and fellow Marines also had the opportunity to visit Greece, Italy, Spain, Tunisia and Turkey.

Redmond's unit is an expeditionary intervention force with the ability to rapidly organize for combat operations in virtually any environment. MEUs are composed of more than 2,000 personnel and are divided into an infantry battalion, an aircraft squadron, a support group and a command element. With the combination of these teams, Redmond's

unit supplies and sustains itself for either quick mission accomplishment or clearing the way for follow-on forces.

He joined the Marine Corps in June 1995.

Lance Cpl. Matthew B. Erdman, son of Kerry and Carole Erdman of 3874 Gloria, Wayne, Mich., recently completed a five-month deployment to the Mediterranean Sea and Arabian Gulf with the 26th Marine Expeditionary Unit (MEU), embarked aboard the ships of the USS Wasp Amphibious Ready Group (ARG).

Erdman was one of more than 2,000 Marines who departed Camp Lejeune, N.C., in February with the ARG that also consisted of the amphibious assault ship and flagship USS Wasp, the amphibious transport dock USS Trenton and the dock landing ship USS Portland.

During the deployment, Erdman's unit participated in

Romulus Flyers win 2 of 3 games

By AL POST
MCN Staff Writer

Determined Romulus Flyers football teams took two out of three games last week against the Lincoln Park Junior Rails, as a prelude to this weekend's homecoming games against the Melvindale Cardinals.

The Flyers homecoming will begin on Friday night with a bon fire behind the Romulus Recreation Building following a practice session.

On Saturday at 11 a.m. the teams' Homecoming Kings and Queens will be crowned at the Romulus Middle School's football field. The first game will start at 1 p.m.

Last Saturday the Freshman Flyers lost a heart breaker, 19-12 to the Rails. The Rails scored first, 7-0 in their first drive. But the Flyers hung tough on the rain soaked field in Lincoln Park, until the Junior Rails scored again in the second quarter and took a 13-0 lead.

Cameron Demps put the Flyers on the scoreboard with just four minutes left in the first half, as he darted around the end and scored.

A defensive game developed in the second half, with both teams scoring only once each and the game ended with the Freshman Flyers fourth loss.

In the middle game of the day, the Junior Varsity Flyers dominated the Junior Rails by a score of 26-6.

The first quarter was all Flyers offense as the Romulus team took a 14-0 lead on two short touchdown runs by James Kendrick.

The Rails defense proved tougher in the second quarter as they held the Flyers scoreless until Kendrick intercepted a Rails' pass and returned it 70 yards for a touchdown.

Meanwhile the Flyers' defense headed by Georjon Garland swarmed over the host Junior Rails for most of the game, but the Rails did score after grabbing a Flyer fumble

Drew responded again in the final quarter ripping off a long run for a touchdown.

on the Flyers' two yard line. The third quarter ended with the Flyers leading 20-6.

In the final quarter the Flyers drove to the Rails' one yard line, but fumbled and the Rails were able to score a touch back. A short time later Kendrick scored the Flyers' last touchdown making the final score 26-6 giving them their third victory. They have lost one game.

The final game featured the Varsity Flyers narrowly topping the Junior Rails 30-28.

The game started in a swift manner as the Rails struck first and then the Flyers' Perry Gray took the kickoff and weaved his way through the Rails defense to score, making it 7-6 in favor of the Rails.

By the time the halftime gun sounded, the Flyers were down by a score of 21-6.

The Flyers Chris Drew and Ron Ford both scored touchdowns in the third quarter, but the Romulus squad remained behind 28-18 as the final quarter opened.

Drew responded again in the final quarter ripping off a long run for a touchdown, making the score 28-24. The Flyer defense put up another tough stand despite the rain, allowing its offense headed by Ford to step up and slice off tackle in making a 60-yard run for the Flyers' final and winning touchdown, making it 30-28.

The Rails were then locked in on their own 25 yard line on the final kickoff and forced to surrender the ball four downs later. The Flyers then took over the ball and ran out the clock to even their season record at 2 and 2.

State-of-the-art firearms range planned over opposition of Van Buren residents

By DON RICHTER
MCN Special Writer

Potential construction of a "state of the art" gun range in northern Van Buren Township has residents there up in arms.

"No, we don't want a gun range in our neighborhood," said an adamant Rae Seog, who lives approximately half a mile from the proposed site. "The people of our little community here are not too pleased about the prospect of having this gun range located

The FBI agreed in 1997 to provide funds to the Wayne County Department of Airports to assist the county in its construction of the range.

so near where we live. The property is close to where 100 families make their homes."

The range, which would belong to Wayne County, would receive limited use from the FBI, along with the Van Buren Township Police Department.

The FBI agreed in 1997 to provide funds to the Wayne County Department of Airports to assist the county in its construction of the range.

According to Seog, a member of the Denton Village Neighborhood Committee, the,

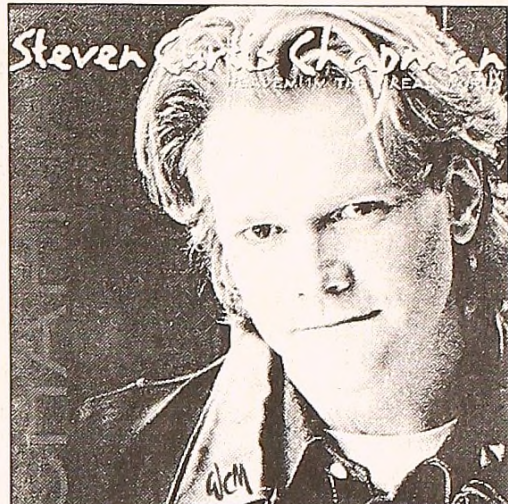

"monies invested by the FBI would be taxpayer dollars, as would monies used by Wayne County to construct this gun range."

Notification of this possible construction has not been forthcoming to the Denton Village taxpayers said Seog. "We have heard that the project is on hold until after the November elections," she said.

The likely site of the range would be on property located north of Willow Run Airport, south of Van Born Road, between Beck and Denton Roads.

Travelers find trust in a fear-filled world

By KAREN MEIER
MCN Special Writer

This past summer my husband Ron and our oldest son, Tony, packed their gear up and headed west. The Wild West. They hiked the hike of a lifetime in the Rockies of New Mexico. They and a number of other scouts and dads from here.

I remember the first postcard we received from them here back at home; Ron had written it just before they actually hit the trail. It read, "All is well after our first night in base camp. Saw an awesome display of lightning (without thunder) last night. Didn't get too cold in base camp -- probably around 55 degrees or so. Today is the shakedown and a bunch of administrative detail before shoving off around 3 p.m. The scenery is breathtaking. Love, Ron and Tony."

That part about the "shake-down" -- well, you see, that was where all the hikers dumped out the entire contents of their 40 to 50 pound backpacks and had everything okayed and inspected for safety and practicality and necessity.

In the event somebody didn't have the right stuff, the right survival stuff for two weeks apart from civilization and running water and sure-footing, he'd have to buy it at base camp or else. And that "administrative detail" jazz -- that was a do-or-die last check physical exam. If you hadn't met the weight requirements (if you were over), you simply didn't go. And if your blood pressure was all wrong, you stayed behind (hiking to altitudes of 12,500 feet, the rule's a good one). Stuff like that. Anyway, that post card was all we heard for over a week. I kept thinking I should look to the western skies to see any smoke signal messages coming from them, but I didn't. Too busy tendin' the young 'uns and holdin' the fort down.

So anyway, during that first full week they were away, I took the rest of the children on a sort of mini-vacation right here in Michigan. We packed a

lot in the three days we stayed with Grandma and Grandpa on the other side of the state. I pitched a tent for them. We went to Lake Michigan to spend a sun-splashed, sandy beach, seagull dancin', lighthouse in the distant hot haze, sand castle kind of day. We strolled through Grandma and Grandpa's little town, quite parched and dusty this summer, with the stroller and a destination - the dollar store (everything \$1 or less) where each of my children came away laden with great toys and coloring books and sparklers and a giant bottle of bubble bath smelling of watermelon.

They were so laden that once we got to the check-out desk (no fancy computer scanners or grumpy clerks in sight), we discovered we were \$1.64 short. As I quickly conferred with the children about which things we should put back, the lady behind the desk said in a friendly and simple-as-the-summer-sun voice, "Just bring the money by later."

Can you imagine??!! Bring the money by later??!!

This lovely lady didn't even know me -- she didn't know I was from out of town, that I was just visiting my Mom and Dad for a few days, that all these children were indeed all mine, all that stuff. So I told her as much, I owed it to her just as much as I owed that \$1.64. She kept saying, "That's okay. That's okay." She didn't even ask my Mom and Dad's name, or my name, or phone number, or address, or driver's license number, or anything. She just rang up the final total, put the things in a bag, and wished me a good day. She trusted me, a complete stranger, to settle up when I got the chance. I told her I'd be back the next day. She waved her hand and said, "That'll be fine."

I walked out of there with all five children having discovered something.

That there is a corner in this cynical, heavy-with-fear world, where trust really exists! I found a place where trust wasn't dusty or dated or im-

Karen Meier

practical or spelled fiscal doom. What a cool thing!

So I went back the next day with my \$1.64, still feeling like one of those early Wild West settler guys who'd found gold! Being trusted is like finding gold, it's a treasure. Being trusted like that buoyed me up, it lifted my spirits, and it even loosened my purse strings again (WITH the right amount of money inside this time)!

Although what I bought that next day was for the children, the whole business, the experience, the trust, was really a remarkable, refreshing discovery to me. Yes, it took some time to discover it, but the wait was definitely worth it! A modern day gold mine!

Letters

Continued from page A-9

gan 48919 and to Governor John Engler and urge them to do their patriotic duty to state and country by implementing plans to light our Great Dome for the new on-coming Century-for THE PEOPLE-and for their children-and for their children's children.

It is sad that armies of marching men cannot stop an idea whose time has come, and this simple tribute is indeed an idea which will be a small but great light to help guide us in times of winning and in times of woe.

So, please help us, dear Michigan, by urging our state leaders to do the right thing and honor those who chose them to lead our state into the future, and remember those of the past and present, who gave their all for God, state and country. Let's stand tall, let's LIGHT THE DOME.

Thank you all very much.

Andrew Anthos

Co-ordinant of D.O.M.E.

Dedication of Michigan's Efforts

Great Depression II

To the Editor:

Can the global economy "grow" its way out of the current glut of "over-capacity" as President Clinton and others are suggesting? I say no.

Can a drunk drink himself sober? Of course not.

The last thing Asia and Latin American need, at this point, is more growth. More skyscrapers in Hong Kong! More factories in Thailand and Mexico! More billion dollar auto plants in Viet Nam's rice patties! They can't sell what they're producing already. Hence, our current raging deflation.

You can not grow your way out of too much growth. You have to liquidate the over-capacity, in modern times, has been war. But is war available in our enlightened nuclear world? I think not. Could we pay people to tear down their factories? Too weird!

Still, if the current deflation is not stopped, shortly, we will be looking at the Great Depression II.

The only politically and social-

ly acceptable way out of the current deflation is a currency-destroying hyper-inflation, like Germany tried in 1924. But, that would only solve one problem by substituting another. Choose your poison.

If the solutions were easy there would never be depressions. Great depressions always seem unsolvable. The one that's coming just may be.

We may need a sword to cut this Gordian Knot.

Lana Frank and Mary Hall of the Leader Dog for the Blind program are trying to enlist Romulus residents and other persons residing in Western Wayne County to open their hearts to the program. MCN Special Photo

Leader Dog for Blind needs caring owners

By DON RICHTER
MCN Staff Writer

"Puppy Raisers" are needed. The Leader Dog for the Blind program, a non-profit guide dog organization, needs compassionate, mature, dog-loving individuals and families to raise their "future Leader Dogs" for approximately one year. After that, the "doggy heroes" have to go back to the Leader Dog program for four to six months of formal training.

"Many of the dogs have been donated by their owners or were acquired from dog pounds or humane societies, however, the biggest number of dogs come from the puppy breeding program," said Lana Frank of Wayne, who is currently "raising" an eight week old yellow Labrador Retriever named "Page", her sixth Leader Dog puppy. "As many as 350 puppies are placed in volunteer homes every year."

The "Puppy Raisers" during the pup's first year, besides giving plenty of love and affection, must make sure their puppy becomes house trained, learn to sit, stay, get down and heel. They must also learn to be quiet and relaxed in public and to be exposed to any potential experience a blind person would have. The puppies, according to Frank, should be taken to stores, restaurants, banks, schools, bowling alleys, movies, on buses and other public transportation, hotels,

beaches and public events, to name a few.

The Leader Dog organization was established in 1938 by a Lions Club in Rochester, MI.

"I heard a public service announcement on the radio," said Frank about her first exposure to the program. "I decided to sign up right then. I'm diabetic and by the grace of God, I don't need one of these dogs. However, if the day ever came and I did need one, I would hope that someone would be helping out and raising a dog for me."

Janet Huff, also of Wayne, became involved with the program only recently, but loves it. "My daughter met Lana (Frank) through her elementary school. She wanted to help out, and that's how we became involved."

Huff is raising her first puppy, an eight week old black Labrador Retriever named Jack. "We already have our own dog, but it hasn't been a problem because the two of them get along so well. He (Jack) is such a sweetie."

Mary Hall, of Westland, is helping take care of her seventh Leader Dog puppy. "I heard an ad about it on Channel 7 News," she said sitting down on the floor next to Oscar, a well-behaved, bright-eyed eight month old yellow Labrador Retriever. "I adore animals, so I decided to give it

a try. I love it."

Probably the only drawback to the program, is that after a year, the dogs must be given up and taken back to the organization for their training. Many a "Puppy Raiser" has shed a tear or two letting go of their "babies".

"It can be hard," said Hall, "but if you focus and understand what your role is and what the dogs are being trained for, then it helps to let go. The dogs are going to help people and you were an important part of that process."

She doesn't let go completely, "I keep a scrapbook about each dog that I've had. It helps me. Some people, though, find it hard to do."

The types of dogs in the program are: German Shepherds, Labs, Golden Retrievers and Australian Shepherds.

"The dogs can't live out in a kennel or doghouse," said Hall. "They have to be raised inside. They have to be an indoor family pet. It's important that they get used to, at an early age, being around people. They need to socialize with people."

The Leader Dogs for the Blind is a worthwhile program and one that needs loving individuals and families. "Most people who participate in the program get hooked after the first time," said Hall. "It's very rewarding."

For more information, call the Leader Dog program at 1-888-777-5332.

Parents, students given Welcome Wagon treat

Halecreek Elementary School first grade teachers Jill Hillis and Heather Sohm staged an impressive "Welcome Wagon" program recently at their school to officially meet their students and parents last month.

Sohm stated "we wanted to encourage and include all of our parents in the education of their children. This meeting started the school year off on a positive note by letting us share with parents our year long plans."

Hillis agreed with her colleague by saying "we were pleased with the turnout. What a wonderful way to start the school year seeing parents and children so excited about learning."

More than 40 parents and children turned out for the festive gathering and sessions with the teachers. Before the informational meeting started, parents and students conferred with the teachers and shared some light refreshments.

Then the group relaxed so that the parents and teachers could have informal talks about this year's plans.

First grade objectives in the Language Arts and Math were introduced and explained.

Parents then received a copy of the year long objectives, so that they would know what their child was expected to know at the end of the school year.

The daily schedules also were provided and discussed.

Sheets showing a number of activities that families can do together as well as helpful hints to help children become better readers were passed out.

Decorated homes win city prizes

Four Romulus families won prizes from the city's Pumpkin Festival Committee for decorating their homes with Fall season themes.

The top prize went to the Donald E. Shipp family of Harrison st. The prize was an overnight stay at a local hotel.

Two families tied for second place -- namely the Brewington family on Castle and the Kaishesh family on Goddard road. Those two families won fish dinners at Ed's Hangar of Romulus.

The third place award went to the Meyers family on Springhill road. They won a gift certificate from Romulus Flowers.

Halecreek student James Williams (right) displays some of his school work to his family prior to the start of the Welcome Wagon program. MCN Special Photo

CITY OF ROMULUS

Appendix C, Article I

AN ORDINANCE TO AMEND APPENDIX C OF THE ROMULUS CITY CODE OF ORDINANCES, CITY OF ROMULUS, ENTITLED, "FRANCHISES", FOR THE PURPOSE OF RESTATING ARTICLE I TO PROVIDE FOR FRANCHISING OF UTILITIES ADDING ARTICLE II TO PROVIDE FOR THE LICENSING AND FRANCHISING TELECOMMUNICATION SYSTEMS.

THE CITY OF ROMULUS, WAYNE COUNTY, MICHIGAN, HEREBY ORDAINS:

Section 1. Appendix C of the Code of Ordinances of Romulus entitled "Franchises." Article I, Sections 1-1 through 1-6 are amended as follows and Section 1-7 through 1-9 are added as follows:

ARTICLE I. Franchise for Utilities

Sec. 1-1. Grant of franchise for Utilities.

Subject to all the terms and conditions set forth in this ordinance, and consistent with the requirements of the Charter of the City of Romulus, Council may by ordinance, grant Utilities and its successors and assigns, franchises to lay, maintain, operate lines, poles, pipe, wires and conduit and transact local business in the City, above and under the highways, streets, alleys, and other public places in the City of Romulus. Franchises granted shall be revocable and non-exclusive.

Sec. 1-2. Extension of system.

A Utility granted a franchise shall operate within the City of Romulus in accordance with all applicable laws, rules and regulations of the United States, State of Michigan and City of Romulus.

Sec. 1-3. Use of streets and other public places.

The utility, its successors and assigns, shall not unnecessarily obstruct the passage of any of the highways, streets, alleys or other public places within said City of Romulus and shall within a reasonable time after making an opening or excavation, repair the same and leave it in as good condition as before the opening or excavation was made.

The utility, its successors and assigns, shall use due care in exercising the privileges herein contained.

The utility, its successors and assigns, shall defend and save harmless the City of Romulus from any and all claims or lawsuits alleging property damage or injury arising out of the operation of the franchise or construction work, including all acts or omissions or negligence of the utility or its officers, agents, servants or assigns.

No road, street, alley, highway or public place shall be opened for the laying of lines, poles, pipes, wire, conduit or mains except upon application to the department of public works of the City of Romulus or other authority having jurisdiction in the premises, and the payment of any fees, stating the nature of the proposed work, the method of construction and the route. Upon receipt of such application, it shall be the duty of the department of public works of the City of Romulus or such other authority as may have jurisdiction, to review the proposed plans to ensure payment of all fees and compliance with the City Charter and City Code, to issue a permit upon compliance. Such approval shall not be unreasonably withheld, but the City shall regulate the location of such facilities. Liability for performance of any work lays solely with the utility notwithstanding City of Romulus' review and approval, including issuance of permits and inspection. Once a permit is issued, the Department of Public Works will be notified when any work is to take place so that employees of the Department of Public Works can be present.

Sec. 1-4. Standards and conditions of service; rules, regulations and rates.

To the extent the utility is under the jurisdiction of the Michigan Public Service Commission, the rates to be charged for its product and the standards and conditions of service and operation hereunder, shall be the same as set forth in the Utility's schedule of rules, regulations, and rates as applicable in the several cities, villages and townships in which the utility is now rendering service, or as shall hereafter be validly prescribed for the City of Romulus under the orders, rules and regulations of the Michigan Public Service Commission or other authority having jurisdiction in the premises. To the extent the Company is not under the jurisdiction of the Michigan Public Service Commission, the rates to be charged for its services and the standards and conditions for service and operations hereunder shall be filed with the Clerk of the City prior to beginning any service.

Sec. 1-5. Successors and assigns.

The word "Utility" wherever used herein, is intended and shall be held and construed to mean and include both the Utility and its successors and assigns, whether so expressed or not.

Sec. 1-6. Effect and interpretation of ordinance.

All ordinances and resolutions, and parts thereof, which conflict with any of the terms of this ordinance are hereby rescinded. In the case of conflict between this ordinance and any such ordinances or resolutions, this ordinance shall control. The catchline headings which precede each section of this ordinance are for convenience in reference only and shall not be taken into consideration in the construction or interpretation of any of the provisions of this ordinance.

Sec. 1-7. Permit joint use facilities.

The Utility shall allow joint use (co-use) of its facilities, subject to the payment of reasonable rental fees, located in the streets, alleys and public places, by other existing or potential franchisees of the City, insofar as such joint use will not unreasonably interrupt or interfere with the operation of the Utility. If the parties can not agree upon conditions for such use or reasonable rental fees, Council may require an arbitration to establish the conditions of joint use and the reasonable rental fee.

Sec. 1-8. Payment of franchise fees.

All Utilities who are granted franchises or renewals of franchises after the date of adoption of this ordinance shall, as a condition of their franchise, pay to the City a franchise fee as established from time to time by City Council by resolution, except that Utilities who have facilities in the right of ways of the City on the effective date of this ordinance shall not be charged a franchise fee based on those facilities, other than a renewal fee.

Sec. 1-9. Available services.

The Utility will make their services available to all citizens of Romulus, whether industrial, commercial or residential, based on the rate structure set forth in Section 1-4. All potential customers

who are in the same category shall be charged at the same rate. To the extent that the pooling of potential customers would allow for a more favorable rate, the Utility will allow and facilitate groups who desire to make pooling arrangements. The City may require the posting of a surety bond or cash with the City Treasurer in an amount determined by Council, to assure performance by the Utility of the provisions of this ordinance and to defray the costs of the City in investigating compliance.

Section 2. Appendix C of the Code of the City of Romulus entitled, "Franchises", is hereby amended to add Article II as follows:

Article II: Grant of Licenses and Franchises for Telecommunication Systems.

Sec. 1-10. Legislative Findings. The City of Romulus has the authority to grant Licenses and Franchises for Telecommunication Systems offering public or private line video, data or voice services using or crossing a street, highway, rights-of-way or easements in the City. This Ordinance is intended to minimize the disruption to the streets, highways, rights-of-way and easements and to require those who seek to construct a Telecommunication System to cooperate in the construction and the restoration of streets, highways, rights-of-way and easements of both overhead and underground lines. The City finds that it has too many unsightly overhead lines and poles in some sections of the City which are proliferating, adversely affecting the public safety, detracting from property values and reaching maximum safe capacity of poles and underground spaces. The City further finds that public health, safety and welfare is better served by requiring installation of new utility lines and wires in underground conduit wherever practical.

Sec. 1-11. Purpose. The purpose of this ordinance is to regulate the granting of Licenses and Franchises for Telecommunication Systems which are other than simply cable television systems.

Sec. 1-12. Definitions. Unless the context specifically indicates otherwise, the meaning of the terms used in this Ordinance shall be as follows:

- (1) City means the City of Romulus, Wayne County, Michigan.
- (2) Telecommunications Services include regulated and unregulated services offering to customers the transmission of 2-way interactive communication and associated usage.
- (3) Telecommunication System is a system used or to be used to provide Telecommunication Service including public or private line video, data or voice service to another person, using or crossing a street, highway, rights-of-way or easements in the City other than cable television service offered pursuant to a Franchise granted under Chapter 6 of the City Code, as amended.
- (4) Franchise is a non-exclusive, limited authorization to transact local business for the construction, maintenance and operation of a Telecommunication System in the City awarded by ordinance in the form of a contract and accepted by the Grantee.
- (5) Grantee is any holder of a Telecommunication System License or Franchise granted pursuant to this ordinance.
- (6) License is a written agreement granted by resolution for a Telecommunication System to use the rights-of-way, easements, highways, streets, alleys, and other places in the City for wires, poles, pipes, conduits or other public utility facilities, but not to transact local business with another person.
- (7) Person is any individual, firm, partnership, association, corporation, company or organization.
- (8) Subscriber is any Person who contracts with the Grantee for, or is in any manner provided with, Telecommunication Services.

Sec. 1-13. City Approval Required.

- (1) No person shall install, construct, maintain or otherwise operate a Telecommunication System in the City without a Telecommunication License and no person shall transact business within the City limits of Romulus on a Telecommunication System without a Franchise.
- (2) This ordinance shall apply to any existing cable television system operating pursuant to a Franchise awarded by the City which the Franchisee uses to transact business within the City limits of Romulus operating a Telecommunication System. However, this ordinance exempts any existing institutional network operated pursuant to the Cable Communications Ordinance, until the original term of the Franchise expires, except to the extent that such franchise or any other entity uses such network for commercial non-cable services.
- (3) Before offering or providing any Telecommunication Service, the Grantee shall obtain any and all regulatory approvals, permits, authorizations or licenses for the offering or provision of such Telecommunication Services from the appropriate federal, state and local authorities, if required, and shall submit to the City, upon the written request of the City, evidence of all such approvals, permits, authorizations or licenses.
- (4) Nothing in this ordinance shall be construed as a waiver of any codes, ordinances or regulations of the City or of the City's right to require Grantee or persons utilizing the Telecommunication Service to secure appropriate permits or authorization for such use. No fee or charge may be imposed upon a Grantee for any such permit or authorization, other than the standard fees or charges generally applicable to all persons for such permits or authorizations. Such standard fee or charge shall not be offset against the annual License fee or Franchise fee a Grantee is required to pay to the City under Section 9 of this ordinance.

Sec. 1-14. Issuance.

- (1) The City may grant one or more Licenses and Franchises for a Telecommunication System in the City subject to this Ordinance.
- (2) The City specifically reserves the right to grant, at any time, such additional Licenses and Franchises for a Telecommunication System as it deems appropriate. Additional Licenses and Franchises shall not be deemed to modify, revoke, terminate or damage any rights previously granted to any other Grantee.
- (3) In the event a License application is filed proposing to install facilities within a Franchise territory which overlaps in whole or in part an existing area, a copy shall be served by the applicant by certified mail upon the current Grantee(s) shall be provided to the City. No application for overlapping territory shall be processed until proof of service has been furnished to the City. It is not the intent of this Ordinance to either require or prohibit over-building.
- (4) Applications for a new, renewed or amended Franchises shall be made in such form as the City may prescribe by resolution. New, renewed or amended Franchises which expand the scope of service shall be accompanied by a non-refundable pre-payment of the Franchise formation fee.

Sec. 1-15. Duration. Any License or Franchise and the rights, privileges, authority, and responsibilities established shall take effect and be in force from and after final acceptance. It shall continue in force and effect for a period established by the License or Franchise not exceeding fifteen (15) years, provided within thirty (30) days after the date of the City's final acceptance of a License or Franchise, the Grantee files with the City Clerk its unconditional acceptance of the License or Franchise, all required letters of credit, construction surety and insurance certificates, and pays to the City Clerk all reasonable costs actually incurred by the City in preparing, considering and awarding the License or Franchise, including legal, engineering, technical, publication and other expenses, to-wit: the Franchise formation fee described in Section 9. If a Grantee fails to timely comply with this section, it shall acquire no rights, privileges, or authority whatsoever from the City. The City Administrator may extend the term of a License or Franchise for a period not exceeding one (1) year by written agreement with a Grantee on reasonable and necessary terms.

Sec. 1-16. Penalty. Violation of any of the terms of this Chapter shall be a misdemeanor punishable by a fine of up to Five Hundred (\$500.00) Dollars or ninety (90) days in jail or both, not excluding (in addition to) civil damages.

Sec. 1-17. Rate Regulation. The rates and charges of a Grantee subject to a Franchise for the provision of Telecommunication Services and for related services (such as equipment rental, deposits, disconnect fees, and late payment fees) shall be subject to regulation by the City to the full extent authorized by federal or state law. The City may from time to time elect not to regulate Grantee's rates and charges, and any such election shall not waive the City's rights to regulate in the future. Changes to rates and charges shall only be made after notice, hearing and other requirements provided by law.

Sec. 1-18. Franchise Formation and Renewal Fee Payments by Grantee.

- (1) For the reason that the streets, highways and rights-of-way or easements to be used by Grantee in the operation of its Telecommunication System within the boundaries of the City are valuable public properties, some of which are acquired and maintained by the City at great expense to its taxpayers, and that the grant to Grantee of the use of said streets, highways, rights-of-way or easements is a valuable property right without which Grantee would be required to invest substantial capital in right-of-way costs and acquisitions, a Grantee shall pay a Franchise formation fee or license fee and renewal fees as determined from time to time by Council resolution.
- (2) In addition, Franchisee or Licensee shall pay a per linear foot fee to the City for all lines, wires, cables, poles, conduits and the like that are erected upon, over, across or under the roads, bridges, sheets, public right-of-ways or easements of the City as may be established from time to time by the Council.
- (3) Miscellaneous fee considerations:
 - (a) Grantees sharing the same conduit shall each pay a full fee.
 - (b) Grantees sending signals over another Grantee's existing line or a line that is leased to another and upon which fees are already paid are not subject to additional fees.
 - (c) Grantees using the same line to provide cable television service and to provide Telecommunication Services shall be subject to both a cable television franchise fee and all fees set by this Chapter.
- (4) License and Franchise fees shall be in addition to any other tax, charge, fee, or payment due the City by a Grantee.

Sec. 1-19. New Developments.

- (1) Grantee may, from time to time, implement new services and developments allowed by law. A grant of a franchise under this Ordinance is not authority to provide cable television services as defined by the U.S. Cable Communication Policy Act of 1984.
- (2) In addition to those matters required in a Franchise, Grantees make the following express acknowledgments:
 - (a) That the City has the right to make reasonable amendments to this ordinance which do not materially increase any financial, economic or performance burden to the detriment of a Grantee during the term of the License or Franchise upon ninety (90) days notice to the Grantee, or without notice with respect to an emergency amendment. It further recognizes and agrees that the City shall in no way be bound to renew or extend the License or Franchise at the end of any License or Franchise term and that it may be deemed a mere licensee at the expiration thereof.
 - (b) That a Grantee shall have no recourse whatsoever against the City for any loss, costs, expense or damage arising out of the failure of City to have the authority to grant all or any part of a License or Franchise. A Grantee expressly acknowledges that on accepting a License or Franchise it did so relying on its own investigation and understanding of the power and authority of the City.
 - (c) By acceptance of a License or Franchise a Grantee acknowledges that it has been induced to enter into a License or Franchise by any understanding or promise or other statement, whether verbal or written, by or on behalf of City of by any other third person concerning any term or condition of a License or Franchise not expressed in this Ordinance.
 - (d) Grantee further acknowledges by the acceptance of a License or Franchise that it has carefully read its terms and conditions, and does accept all of the risks of the meaning of such terms and conditions.
- (3) However, if any such state or federal law or regulation shall require a Grantee to perform any service, or shall allow a Grantee to perform any service, or shall prohibit a Grantee from performing any service, in conflict with the terms of the License or Franchise or of any law or regulation of the City, then as soon as possible, a Grantee shall notify the City of the point of conflict believed to exist between such regulation or law and the laws and regulations of the City or the License and Franchise. Notwithstanding such conflict, the Grantee shall comply with the terms of the License or Franchise unless released by the City.
- (4) If any provision of a License or Franchise is held by any court of competent jurisdiction to be invalid as conflicting with any federal or state law, rule or regulation now or hereafter in effect, or is held by such court to be modified in any way in order to conform to the requirements of any law, rule or regulation, said provision may be considered a separate, distinct and independent part of the License or Franchise, and such holding shall not affect the validity and enforceability of all other provisions if the City so determines. In the event that such law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changes, so that the provision which had been held invalid or modified is no longer in conflict with the law, rules

or regulations said provision shall return to full force and effect and shall be binding on the parties.

- (5) If the parties determine that a material provision of a License or Franchise is affected by action of a court or of the state or federal Government, the parties shall have the right to modify any of the provisions to such reasonable extent as may be necessary to carry out the full intent and purpose of the License and Franchise.

Sec. 1-20. Liability.

- (1) Further, if the Grantee of a Franchise, provides a new service, facility, equipment, fee or grant to any other community which it serves within the State of Michigan, the same shall be provided in or to the City. City shall waive this requirement in a Franchise upon an affirmative demonstration that such services would be undesirable, impractical, infeasible or uneconomical in the City due to population, density or other relevant factors.
- (2) A Grantee shall at all times during the life of a license or Franchise carry and require its contractors and subcontractors to carry out public liability, property damage, worker's disability, and vehicle insurance in such form and amount as shall be determined by the City as set forth in the License or Franchise. All required insurance coverage shall provide for thirty (30) day notice to the City in the event of material alteration or cancellation of such coverage prior to the effective date of such material alteration or cancellation. Failure of the Grantee to provide appropriate insurance certificates to the City within sixty (60) days after the execution of a License or Franchise shall render the License or Franchise null and void.

Sec. 1-21. General Capability.

- (1) Further, if the Grantee of a Franchise, provides a new service, facility, equipment, fee or grant to any other community which it serves within the State of Michigan, the same shall be provided in or to the City. City shall waive this requirement in a Franchise upon an affirmative demonstration that such service would be undesirable, impractical, infeasible or uneconomical in the City due to population, density or other relevant factors.
- (2) The Grantee of a Franchise shall allow the City to access the Telecommunication System from any city buildings, police stations, fire stations, other public buildings, each school licensed by the State of Michigan, and each public library within 50 feet of the Telecommunication System on fees, terms and conditions set forth in the Franchise.
- (3) Only in the event of a state or national emergency or other urgent community need, a Grantee of a franchise shall, upon request of City, make available in facilities to the City for the duration of the emergency.
- (4) To the extent feasible, and subject to reasonable availability and agreement among the franchises concerning maintenance, access and security, a Telecommunication System shall be interconnected with other Telecommunication Systems within the City for the purpose of facilitating the provision of universal service in the City. Interconnecting may be done by direct cable or fiber optical connection, microwave link, satellite, or other appropriate method. The cost of such interconnection shall be equally shared by each Grantee. A Grantee shall not impose any discriminatory or punitive interconnection fee on a non-Subscriber. A Grantee shall not refuse or delay access service, or be unreasonable in connection, another Grantee, to the Telecommunication System or refuse or delay access service by any person to another Telecommunication System.

Sec. 1-22. Conditions of Street Occupancy. A Grantee shall not commence construction upon, over, across, or under the roads, bridges, streets, rights-of-way or easements in the City without first obtaining a construction permit as required under Chapter 5 of the City Code, as amended, which shall apply to the construction of a Telecommunication System.

Sec. 1-23. Technical and Construction Standards.

- (1) Each Grantee shall construct, install and maintain its Telecommunication System in a manner consistent and in compliance with all applicable laws, ordinances, construction standards, governmental requirements, and technical standards established by the Federal Communications Commission or state agency, as defined by the Department of Public Works.
- (2) In any event, the Telecommunication System shall not endanger or interfere with the safety or persons or property within the City or other areas where the Grantee may have equipment located.
- (3) All working facilities, conditions, and procedures, used or occurring during construction of the System shall comply with the standards of the Occupational Safety and Health Administration.
- (4) Telecommunication System shall be performed in an orderly and workmanlike manner, and in close coordination with public and private utilities serving the City following accepted industry construction procedures and practices and working through existing committees and organizations.
- (5) All cable and wires shall be installed, where possible, parallel with electric and telephone lines, and multiple cable configurations shall be arranged in parallel and bundled with due respect for engineering consideration.
- (6) A Grantee shall join and maintain membership in, the Miss Dig program upon execution of this Agreement.
- (7) When Grantee meets recognized engineering standards and the City, at its option, requests additional linear line footage, then the Grantee shall not be subject to the linear foot fee for such additional footage.

Sec. 1-24. Maps, Records, and Reports.

- (1) A Grantee shall annually provide the City with current maps of its existing and proposed installations in a standardized format for use with the City's G.I.S. data system unless no changes have occurred in the previously submitted map.
- (2) An accurate and comprehensive file shall be kept by a Franchise Grantee of all Subscriber and user complaints regarding the Telecommunication System. A procedure shall be established by the Grantee by the time of installation of the system to quickly and reasonably remedy complaints to the satisfaction of the City. Complete records of Grantee's actions in response to all complaints shall be kept. These files and records shall remain open to the public during normal business hours.

- (3) Grantee shall submit to the City such other reasonable information or reports in such form and at such times as the City may request.
- (4) A grantee shall allow the City to make inspections of any of the Grantee's Telecommunication System within the City's boundaries at any time upon one (1) day notice or, in case of emergency, upon demand without notice.
- (5) The refusal of the Grantee to file any of the records or reports and inspections required to be provided to the City under this section shall be deemed a material breach, and shall subject the Grantee to all penalties and remedies, legal or equitable, which are available to the City.
- (6) Any material, false, misleading statement, or representation knowingly made by the Grantee in any report shall be deemed a material breach of the License or Franchise, and shall subject the Grantee to all penalties and remedies, legal or equitable, which are available to the City.

Sec. 1-25. Waiver. A Grantee agrees not to oppose intervention by the City in any suit or proceedings to which the Grantee is a party relating to the City's Franchise or License. A Grantee agrees to abide by all provisions of this Ordinance and its License and Franchise.

Sec. 1-26. Sale or Transfer of Rights of Franchises.

- (1) Neither the Franchise nor any of Grantee's interest therein or in the facilities shall be sold, assigned, transferred, pledged, leased, sublet, hypothecated or mortgaged in any manner, in whole or in part, to any person or entity, nor shall title thereto, either legal or equitable, or any right or interest therein, or any property or assets relating to this Franchise or the facilities, pass to or vest in any person or entity, without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed. Grantee shall not otherwise provide service to a person or entity who the City contends is required to obtain a franchise from the City and who lacks such franchise. Nothing herein shall prevent Grantee from assigning its rights and obligations to an affiliate (defined as any entity directly owned by Grantee or a parent entity of Grantee) or subsidiary of Grantee upon notice to the City. Any assignment or transfer to a subsidiary or affiliate of Grantee shall not relieve Grantee of its liability hereunder. Further, nothing herein shall prevent or prohibit Grantee or any of its parents, subsidiaries or affiliates, from granting a security interest in the Franchise or the facilities arising from a financing transaction. The grant of waiver of any one or more of said consents shall not render unnecessary any subsequent consent or consents, not shall the grant of any said consent constitute a waiver of any other rights of the City. In the event of a foreclosure proceeding pursuant to the enforcement of a security interest granted by Grantee, or any parent or subsidiary of Grantee, the City shall have the right to approve the purchaser of the Franchise and/or the facilities at a foreclosure sale, which approval shall not be unreasonably withheld or unduly delayed. The prohibition against sales, assignments, transfers and similar actions shall also fully apply to any transfer of control of Grantee ("Control") and such transfer of Control shall also require the prior written approval of the City which approval shall not be unreasonably withheld or unduly delayed.
- (2) No Franchise nor any part or portion of its interest in the Franchise may be sold, transferred, or assigned until the facilities, equipment and personell which the Grantee has proposed in the current Franchise application to provide and install pursuant to the Franchise are one hundred (100%) percent completed and operational for a minimum period of three (3) years except to Grantee's parent, affiliate or subsidiary.
- (3) Any attempted transfer of the Franchise, facilities, Control or similar action by Grantee in violation of this Section shall be ineffective and void and shall constitute a material event of default by Grantee.

Sec. 1-27. Construction and Performance Guarantee and Letter of Credit. A Grantee shall, prior to construction and within thirty (30) days of the execution off a License or Franchise, file with the City Clerk, a letter of credit or cash deposit in a reasonable amount set by the terms of the License or Franchise based upon the construction cost of the lines to be installed upon, over, across, or under the roads, bridges, streets, rights-of-way or easements in the City. The Grantee and the City Engineer may make arrangements for the periodic release of the cash deposit or letter of credit in proportionate amounts as progress is made.

Sec. 1-28. Termination. In addition to all other rights and powers reserved or pertaining to the City, the City reserves as an additional and as a separate and distinct remedy the right to terminate a License or Franchise and all rights and privileges of a Grantee in any of the following events or for any of the following reasons:

- (1) A Grantee fails after thirty (30) days prior written notice to comply with any of the provisions of the License or Franchise or has, by act or omission, violated any term or condition; or
- (2) A Grantee becomes insolvent, unable or unwilling to pay its debts, or is adjudged bankrupt; or
- (3) All or part of a Grantee's facilities are sold under an instrument to secure a debt and are note redeemed by Grantee within ninety (90) days from such sale; or
- (4) A Grantee attempts to or does practice any fraud or deceit in its conduct or relations with the City under the License or Franchise; or
- (5) City condemns all of the property of a Grantee within the City by the lawful exercise of eminent domain.
- (6) The Grantee abandons the Telecommunication System or fails to seek renewal of its License or Franchise.
- (7) No termination, except for reason of condemnation, shall be effective unless or until the City shall have adopted a resolution setting forth the cause and reason for the revocation and the effective date, which resolution shall not be adopted without thirty (30) days prior notice to Grantee and an opportunity for Grantee to be heard on the proposed resolution.

Sec. 1-29. Removal.

- (1) Upon expiration or termination of a License or Franchise, if the License or Franchise is not renewed, the Grantee may remove any underground cable from the streets which has been installed in such a manner that it can be removed without trenching or other opening of the streets along the extension of cable to be removed. Except as otherwise provided, the Grantee shall not remove any underground cable or conduit which requires trenching or other opening of the streets along the

extension of cable to be removed. The Grantee shall remove, at its sole cost and expense, any underground cable or conduit by trenching or opening of the streets along the extension or otherwise which is ordered to be removed by the City based upon a determination, in the sole discretion of the City, that removal is required in order to eliminate or prevent a hazardous condition or promote future utilization of the streets for public purposes. Any order by the City to remove cable or conduit shall be mailed to the Grantee not later than thirth (30) calendar days following the date of expiration of the License or Franchise. A Grantee shall file written notice with the City Clerk not later than thirty (30) calendar days following the date of expiration of termination of the License or Franchise of its intention to remove cable and a schedule for removal by location. The schedule and timing of removal shall be subject to approval and regulation by the City. Removal shall be completed not later than twelve (12) months following the date of expiration of the License or Franchise. Underground cable and conduit in the streets and rights-of-way which is not removed shall be deemed abandoned and title shall be vested in the City.

- (2) Upon expiration, termination or revocation of a License or Franchise, if the License or Franchise is not renewed, a Grantee, at its sole expense, shall, unless relieved of the obligation by the City, remove, from the streets all above ground elements of the Telecommunication System, including but not limited to pedestal mounted terminal boxes, and lines attached to or suspended from poles.
- (3) Grantee shall apply for and obtain such encroachment permits, Licenses, authorizations or other approvals and pay such fees and deposit such security as required by applicable law or ordinance of the City, shall conduct and complete the work of removal in compliance with all such applicable law or ordinances, and shall restore the streets and rights-of-way to the same condition they were in before the work of removal commenced. The work of removal shall be completed not later than twelve (12) months.

Sec. 1-30. Continuity of Service. It shall be the right of all Subscribers to receive all available services insofar as their financial and other obligations to the Grantee of a Franchise are honored. In the event that the Grantee elects to overbuild, rebuild, modify or sell the Telecommunication System or the City terminates, revokes or fails to renew a Franchise within a reasonable time, a Grantee shall do everything, in its power to ensure that all Subscribers receive continous, uninterrupted service regardless of the circumstances. In the event of a change of Grantee, the current Grantee shall cooperate with the new Grantee in maintaining continuity of service to all Subscribers. In the event that interruption of service is required by a Grantee for modification, repairs or the like, the interruption shall be as brief as possible and at times when the impact on Subscribers is at a minimum. Records of such interruption shall be kept.

Sec. 1-31. Acceptance of Agreement and Incorporation of Application and Ordinance in Franchise, by a Grantee. The Grantee agrees to be bound by all of its terms and conditions and accepts unconditionally the Franchise and promises to comply with and abide by all of their terms, provisions and conditions. A Grantee also agrees to provide all services set forth in its application and proposal, and, by its acceptance of the License or Franchise, a Grantee specifically grants and agrees that its application and proposal is thereby incorporated by reference and made a part of the License or Franchise. In addition, a Grantee specifically agrees that this Ordinance of the City is incorporated by reference and made a part of the License or Franchise. In the event of a conflict between the application and proposal of the Grantee, the Ordinance, and the License or Franchise, the Ordinance shall prevail.

Sec. 1-32. Severability. If any section, subsection, sentence, clause, phrase or word of the License or Franchise is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not render invalid not terminate the License or Franchise.

Sec. 1-33. Tampering and Fraudulent Connections or Sales.

- (1) No person, whether or not a subscriber or user to the Telecommunication System, may intentionally or knowingly remove or damage or cause to be damaged any wire, cable, conduit, equipment, or apparatus of the Grantee, or to commit any act with an intent to cause such removal or damage, or tap, tamper with or otherwise connect any wire or device to a wire, cable, conduit, equipment and apparatus, or appurtenances of the Grantee with the intent to obtain a signal or impulse from the Telecommunication System without authorization from or compensation to the Grantee, or obtain Telecommunications Services, or sell, rent, offer or advertise for sale, rental or use any instrument, apparatus, device plans, specifications, or instructions for making or assembling the same to connect to the Grantee's Telecommunication System with intent to cheat or defraud the Grantee of anylawful charge to which it is entitled.
- (2) The prohibitions, penalties and remedies set forth in this section are in addition to any prohibitions, penalties and remedies for theft of service provided by state and federal law.

Sec. 1-34. Equal Applications. The provisions of this ordinance shall be imposed upon and enforced against all Telecommunication Systems in the City requiring a License or Franchise under state law from the City.

Sec. 1-35. Compliance with Laws. All Grantees and the City shall comply with all laws, rules, regulations and orders in the exercise and performance of their rights and obligations under this ordinance and under any Franchise.

ADOPTED, APPROVED AND PASSED by the City Council of the City of Romulus this 14th day of September, 1998.

William M. Oakley, Mayor
Linda Choate, City Clerk

I hereby certify that the foregoing is a true copy of the Ordinance as passed by the City Council of the City of Romulus at a regular Council Meeting held in the City Council Room in said City on the

14th day of September, 1998.

Linda Choate, City Clerk

I further certify that the foregoing was published in the Romulus Roman, a newspaper printed in the City of Romulus, on the 8th day of October, 1998.

MINUTES OF THE REGULAR MEETING
OF THE ROMULUS CITY COUNCIL HELD
SEPTEMBER 14, 1998

The meeting was called to order at 7:30 p.m. by Randolph, Gear, Mayor Pro Tem

Present: LeRoy D. Burcroff, William A. Crova, Randolph, Gear, Donald R. Morris, Michael A. Prybyla, Debbie Romak, William J. Wadsworth
Absent: None
Excused: None

Administrative Officials in Attendance:
William Oakley, Mayor
Linda R. Choate, CMC, Clerk
Pamela Kersey, Treasurer

Motion by Romak, supported by Morris to approve the agenda as presented.

Roll Call Vote Showing: Ayes-Burcroff, Crova, Morris, Prybyla, Romak, Wadsworth.
Nays - None.
Motion Carried Unanimously.

98-350

2A. Motion by Wadsworth, supported by Crova to approve the minutes of the meeting of the Romulus City Council held September 8, 1998.

Roll Call Vote Showing: Ayes - Burcroff, Crova, Gear, Morris, Prybyla, Romak, Wadsworth.
Nays - None.
Motion Carried Unanimously.

98-351

3A1. Motion by Burcroff, supported by Romak to rescind Resolution 97-081:

Resolution 97-081

Motion by Romak, supported by Wadsworth to concur with the recommendation of the Planning Commission and grant special approval land use to PC-018-05-96, Majid Koza for a long term parking lot on approximately 63 acres fronting on Merriman and Ecorse Roads (DP#s 037 99 0027 705, 037 99 0030 000 and the northerly portion of 037 99 0035 701) in an RC (Regional Center) zoned district, subject to the recommendations of the City Planner, City Engineer, Fire Department, submittal of a landscape maintenance plan. Further, this approval is contingent upon the following additional conditions:

1. Three percent (3%) of the long term parking lot interior is landscaped.
2. The hotel shall be constructed primarily of brick.
3. The maximum number of parking spaces shall be 3,000 for the long term parking facility.
4. All recommendations of the Planning Commission must be followed.
5. The hotel shall be fully constructed before the parking lot construction is to begin.

Roll Call Vote Showing: Ayes-Crova, Gear, Prybyla, Raspberry, Romak, Wadsworth. Nays-Collins. Motion Carried.

Roll Call Vote Showing: Ayes - Burcroff, Crova, Gear, Morris, Romak, Wadsworth.
Nays - Prybyla.
Motion Carried.

98-352

3A2. Motion by Burcroff, supported by Crova to Motion by Romak, supported by Wadsworth to concur with the recommendation of the Planning Commission and grant special approval land use to PC-018-05-96, Majid Koza for a long term parking lot on approximately 63 acres fronting on Merriman and Ecorse Roads (DP#s 037 99 0027 705, 037 99 0030 000 and the northerly portion of 037 99 0035 701) in an RC (Regional Center) zoned district, subject to the recommendations of the City Planner, City Engineer, Fire Department, submittal of a landscape maintenance plan. Mobile unit visits school
to expand nature studies

By AL POST
MCN Staff Writer

Mother Nature -- in the form of Huron Clinton Metroparks naturalist Jean Morfino -- came a visiting for Wick Elementary School students recently.

The fifth and sixth grade Wick students spent a half hour inside the nature-filled mobile unit supplied by Huron Clinton Metroparks and listened intently as Morfino out-

lined how nature is built to aid the lives of humans and other life sources in this world.

The classroom like mobile was complete with pictures and exhibits of plant and animal life styles.

One of the objects of the mobile program was to entice students to visit the extended park facilities with their families during various seasons of the year.

The program was encour-

aged by Wick School's Science coordinator Pat Adams and Science teacher Lisa Kerr.

Kerr was particularly pleased with the outcome of the program stating "the naturalists were terrific. They have a vast reservoir of knowledge about nature and an excellent ability to relate to our students.

"I believe our students learned a great deal from the program," Kerr said.

Burcroff
is parade
marshal

By AL POST
MCN Staff Writer

Former Romulus School District trustee Dean Burcroff will serve as this year's Homecoming Parade grand marshal.

Burcroff, former furniture store owner and father of Councilman Leroy Burcroff, will lead the 1998 parade that will kick off about 5 p.m. Oct. 16.

He also will be formally introduced at half-time.

Also at halftime, Homecoming officials will announce the winners of the Homecoming King and Queen contests, winner of the Homecoming floats competition and winner of the spirit jug contest.

The Homecoming Dance will take place the following night (7 to 11 p.m.) Pre-sale tickets will cost \$9 and a can of food. Tickets will cost \$13 at the door.

Burcroff is also being credited with masterminding the alumni association's first Homecoming Weekend float last year -- complete with many sport memories.

He, family members and other alumni are also busy at work now on this year's version of the alumni float.

Dean Burcroff

To appropriate funds for the purchase of two computers for the Building Department.

Roll Call Vote Showing: Ayes - Burcroff, Crova, Gear, Morris, Prybyla, Romak, Wadsworth.
Nays - None.
Motion Carried Unanimously.

98-357

5Ea. Motion by Crova, supported by Wadsworth to adopt a memorial resolution for the family of Sabreen Rashada, dear mother of Hafeeza Hester, Administrative Secretary to the Mayor.
